Dear Parents:

We are expanding our school meal program to include "Fuel for Success", PAPA's new breakfast program. As we all know, hungry children have difficulty learning. That's why we encourage all students to begin the school day with a nutritious breakfast.

The breakfast meal meets $\frac{1}{4}$ of your child's daily nutritional needs, meets dietary recommendations, is convenient, and provides students a chance to socialize over breakfast with friends.

The breakfast program is available daily for all students beginning on Monday, August 13th. The cost is \$1.75 for full pay, \$.30 for students qualifying for the federal lunch program with reduced status, and free for students qualifying for the federal lunch program with free status. If you would like to complete a qualification form and did not already do so at registration, they are available in the front office.

Breakfast will only be served from 7:30am-7:55am in the Café. The first bell for classes rings at 7:55am. Breakfast is not a reason to be late for class.

We hope you take advantage of this opportunity!

Sincerely,

A handwritten signature in black ink that reads "Doreen A. Winn". The signature is written in a cursive style.
