

HIP HOP SUPPLY LIST!

The only things students need for my classes are clothes that respect dress code:

- tops - athletic clothing; must be long enough that students' midriff won't show if they lift their arms overhead. No tube tops or crop tops.
- bottoms - athletic clothing; no jeans, even if they are stretchy; no cargo pants; no low rise bottoms; waist needs to be tight enough that they will not fall down if dancers run, jump, or squat down.
- shoes - athletic footwear; no sliders, flip flops or boots.
- hair must be secured out of dancers' face
- no loose jewelry
