**Vision:** The Public Academy for Performing Arts will be a small, supportive community where all students pursue both high academic achievement and excellence in the performing arts.

### A.2 NONDISCRIMINATION ON THE BASIS OF HANDICAP/DISABILITY

### A.3 GOVERNING LAWS

PAPA must comply with all applicable federal, state, and local laws and regulations. As a public charter school, PAPA is governed by, without limitation:

- PAPA’s charter with the Albuquerque Public Schools (APS), including the applicable APS school policies not waived in PAPA’s charter.
- Governmental Conduct Act (NMSA 10-16-1 et. seq.)
- Inspection of Public Records Act (NMSA 14-2-1 et. seq.)
- NMAC
- Public Schools NMSA 22

The Governing Council of PAPA has a responsibility to ensure that PAPA operates in accordance with these laws and regulations, and meets its commitments to APS and the State Board of Education as reflected in its charter.

### A.4 GOVERNING COUNCIL POWERS AND RESPONSIBILITIES

The primary powers and duties of the Governing Council are to:

- Hire, evaluate and terminate the Executive Director;
- review and approve the budget for PAPA, and any line-item changes to the budget;
- review and approve all policies for PAPA;
- review and approve facilities plans for PAPA;
- approve the strategic plan for PAPA; and

The Executive Director and other PAPA employees shall implement the policies and procedures, facilities plans, and budget adopted by the Council, under the direction and supervision of the Executive Director. The Council shall not be involved in the day-to-day operations of the school.

#### **A.5 COUNCIL MEMBER AUTHORITY**

Council members will have authority only when participating in Council deliberations during a regular or special Council meeting. Neither the Administration nor the Council will be bound in any way by any statement or action on the part of any individual Council member, unless the Council, by majority vote, delegates authority to speak for or represent the entire Council to a Council member.

Unless acting pursuant to express delegated authority from the Council, no Council member shall undertake any individual action to implement any plan or action approved by the Council and within the responsibility of the Executive Director except under the direction and supervision of the Executive Director. When acting under such direction and supervision of the Executive Director, a Council member shall be considered a volunteer and have no special authority beyond that of a volunteer.

Council members are bound by these Policies. Any violation of Policies and Procedures by a Council member may be grounds for removal of the member under the procedures in Section A.8.

#### **A.6 PARLIAMENTARY AUTHORITY**

Basic Roberts' Rules of Order procedures will govern the Council, except when state regulations prevail. Although most items are handled by appropriate motion procedures, consensus action is also used. Actual procedures will be left to the discretion of the Council President or the person chairing the meeting in the President's absence.

Unless otherwise specified by Council policy, procedure or resolution, a quorum shall consist of a simple majority of voting Council members in office, and any action on the agenda may be taken upon the approval of a majority of those voting members present, provided a quorum is present.

#### **A.7 COUNCIL MEMBERSHIP**

Council shall be constituted in accordance with the following:

##### **A.7.1 Members: (updated 11/29/2016)**

The Governing Council is intended to be a collaborative body and members are not intended to represent particular constituencies, but should recognize and pursue the best interests of the school as a whole. It is, however, recognized that diverse groups exist and it is advisable to draw membership from all areas. The Governing Council shall consist of not less than five (5) and not more than seven (7) voting members consisting of Parent Members and Community Members.

Non-voting members of the Governing Council include: up to three faculty/staff members, and two student members.

Voting Member Restrictions:

1. Spouses/domestic partners are prohibited from serving on the Governing Council at the same time.
2. PAPA employees and contractors; or spouses/domestic partners of PAPA employees or contractors shall not constitute a majority of the voting members.

3. No member of the governing body shall serve on the governing body of another charter school. (NMSA 22-8B-4.B)
4. No member of a local school board shall be a member of the governing body of a locally chartered charter school located within the local school board's school district during the term of office for which the member was elected or appointed. (NMSA 22-8B-4.B)

#### **A.7.2 Selection/Election.**

a) **Faculty/Staff Members** will be selected by the Faculty/Staff in accordance with procedures agreed to by a majority of faculty/staff members. The faculty/staff membership should reflect performing arts and academic areas as well as from high school and middle school. Ideally, representation should be by one academic middle school teacher, one academic high school teacher and one performing arts teacher. The faculty/staff is requested to take this into consideration when selecting/electing faculty members. The Faculty/Staff members are non-voting members, acting as advisors to the Governing Council. Faculty/staff members serve for one year and are not term limited.

#### **b) Parent/Community Member Election Process:**

i) On or before the first Governing Council meeting in February, the Council shall appoint a Nominating Committee, which shall consist of:

- (a) at least one voting member of the Governing Council who is not eligible to serve on the Council the following year; if available.
- (b) two members of the faculty/staff who will not serve on the Council the following year (one of the faculty/staff members will chair the committee and report to the Governing Council);
- (c) at least one parent or community member who is not currently on the Governing Council, not employed by PAPA in any capacity (including a spouse/domestic partner), and will not serve on the Council the following year.

The Governing Council shall provide to the nominating committee the minimum number of Parent and Community members the nominating committee should recommend.

Incumbent Governing Council members whose term(s) are expiring are required to submit an application to the nominating committee if they wish to remain on the Governing Council.

ii) The Nominating Committee shall meet thereafter and solicit applications, recruit potential candidates, and screen applicants and recruits for each of the Parent Member and Community Member positions on the Council to be filled.

iii) The Nominating Committee shall generally recommend a slate of candidates based upon their professional skills, demonstrated collaborative and problem-solving skills and attitudes, their ability and willingness to devote substantial time and energy to serving on the Council and their willingness and ability to devote their time and energy to acting for the best interests of PAPA as a whole, rather than the interests of any particular interest group.

iv) The Nominating Committee will submit all applicants and their slate of recommended candidates to the Council during the March Governing Council Meeting.

v) The Executive Committee may interview selected candidates from the list of all applicants.

vi) During the April meeting the Governing Council will decide on a preliminary slate of candidates to fill each open or opening voting member positions.

The preliminary slate of candidates will be provided to all PAPA parents via e-mail and web posting.

If there is more than one candidate for any Parent Member or Community Member Position, either by the Governing Council not deciding on a preliminary slate or because a nominating petition has been submitted in accordance with vi) below, the Council shall arrange for an election to be held with respect to the contested position(s) Before the Council meeting in May.

vii) Any person who desires to be considered for one of the Parent Member or Community Member Positions on the Council, and who has not been included on the Governing Council's preliminary slate of candidates may initiate a ballot petition. The ballot petition must be signed by at least 50 (fifty) PAPA families and is to be presented to the Executive Director no later than one week after the Council meeting in April where the preliminary slate was made. The chair of the nominating committee will examine and verify all ballot petitions for compliance with this policy.

viii) If a ballot petition is successful, a general election ballot containing the names of all persons with successful ballot petitions and the name(s) of the preliminary slate of Governing Council members will be prepared for the general election. With respect to each of the voting member positions, each student's family shall be entitled to complete one (1) ballot. A general election will be held the week before the May meeting with voting to occur over two (2) school days. If the scheduled May meeting is after the school year, the election will be held two weeks prior to the end of the school year. The election will be facilitated by the nominating committee chair. It will consist of a secret, written ballot. Voters must be present and sign in in order for their ballot to be counted. The ballot results will be presented to the Governing Council at the May meeting.

ix) During the May Governing Council meeting, the Council shall vote to approve or disapprove, as a whole, the slate of candidates or the candidates elected (if any). Upon approval, all such candidates shall be immediately seated as members of the Council for the relevant terms. If such candidates are disapproved by the Council as a whole, the Council shall reconvene the Nominating Committee to develop a new slate of candidates for the uncontested positions.

x) The Council members who will end their terms may remain through the August meeting to assist the new members in transition. During the May to August period, the Governing Council voting membership automatically expands to accommodate the outgoing and incoming members.

c. The High School and Middle School Student Council Presidents will be included on the Governing Council as a non-voting members acting in an advisory role.

#### **A.7.3 Terms.**

Parent and Community Member terms are for three years. Members elected to an unexpired term will serve until the completion of that term. Parent and Community members are not term limited.

At the Governing Council meeting in February, the Governing Council will identify those Council members who are in their first, second and third term years and who will apply for reappointment on the council. The Council will also determine whether the make-up of the Council shall be increased or

otherwise changed in subsequent years. This will determine the positions that are to be filled for the following year.

Facility/staff members serve for one year and are not term limited.

The Student member serves for their term in Student Council office and takes his/her position on the Governing Council upon installation as the High School Student Council President.

#### **A.7.4 Automatic Removal of Certain Council Members.**

(1) Termination of PAPA Relationship. A Council member who occupies a Council position by virtue of his or her relationship to PAPA (e.g., administrator, faculty or adjunct faculty member, parent of PAPA student, etc.) will be deemed to have automatically resigned from his or her position on the Council upon the termination, for any reason whatsoever, of the circumstances which initially made such person eligible for the Council position. Parent members of spring graduating students may serve through the August meeting.

(2) Termination of Independent Contractor Status. If a Council member is an independent contractor to PAPA (in addition to any other qualifications for membership on the Council), PAPA's cancellation or termination of the contract prior to its normal expiration date shall result in the Council member being deemed to have automatically resigned from his or her position upon the termination of the contract. In such circumstances, the Council may elect in its discretion to reappoint such person to the Council for the remainder of the term for which he or she was initially elected or appointed, by majority vote of the Council.

(3) Student Qualifications. A student member of the Council shall be deemed to have resigned his/her position on the Council immediately upon: (i) withdrawal from PAPA for any reason whatsoever; (ii) disciplinary action resulting in short or long-term suspension; or (iii) his/her GPA falling below 3.0 (measured at the end of the regular grading period). In this event, a Student Council officer will complete the term of the student member.

Constituents eligible to vote for such position shall vote by secret ballot in such recall election, and such member shall be recalled and removed from office if more than fifty percent (50%) of the votes cast in such election are cast for removal.

#### **A.7.6 Vacancies.**

All vacancies on the Council caused by the resignation, deemed resignation, removal by vote of the Council, recall, death, refusal to serve, or incapacity of a member, or by the failure to fill all available positions, or other reasons, will be filled by majority vote of the remaining Council members, unless the Council elects to convene a Nominating Committee to fill the vacancy in accordance with the procedure above.

## **A.8 REMOVAL OF COUNCIL MEMBERS FOR BREACH OF RESPONSIBILITIES**

A. Governing Council members are expected to regularly attend Council meetings. If a Council member anticipates that he or she will not be able to attend a meeting, the Council member shall notify the President of the Council and/or the Executive Director of his or her impending absence in advance of the meeting. If a Council member, as a result of an emergency or illness, is unable to notify the President of the Council and/or the Executive Director in advance that he or she will be unable to attend a meeting, the Council member shall notify the Council President and the Executive Director within 24 hours following the meeting of the reason for his or her absence.

B. If a member of the Governing Council misses four consecutive monthly meetings or four out of eight consecutive monthly meetings, the office of such member may be declared vacant by a vote of three-fourths of the remaining voting members of the Council.

C. If a member of the Governing Council knowingly violates any policy or procedure adopted by the Governing Council, the office of such member may be declared vacant by a vote of three-fourths of the remaining voting members of the Council

D. Any vacancy of an office on the Governing Council created pursuant to this section shall be filled in accordance with section A.7.6. Any member of the Governing Council who has his or her office declared vacant or vacated pursuant to this section A.8 shall not be eligible for appointment or election to the Governing Council until the term for which he or she was originally elected or appointed has expired.

E. No office of a member of the Governing Council shall be declared vacant under this section for any absence or other event that occurred prior to the date of adoption of this section.

## **A.9 NO MISUSE OF POSITION**

As a common policy, no Council member or PAPA employee shall use his or her position at PAPA to attempt to influence the decision of any employee of PAPA to grant special treatment to (a) the child or ward of such Council member or employee (including independent contractors), (b) any relative of such Governing Council member or employee, or (c) any "Related Entity".

For purposes of this Section, a "Related Entity" is a business enterprise, nonprofit organization or other entity with respect to which such Governing Council member, employee, or a relative of such Governing Council member or employee (i) has a direct or indirect financial interest; (ii) is an officer or director; or (iii) is otherwise in a position to control the management or decision-making of such entity.

Every Council member and every PAPA employee who is a parent or ward of a PAPA student shall inform his or her child that he or she is required to follow all rules, policies and procedures applicable to PAPA students, that he or she is not entitled to special treatment by virtue of the relationship with a Council member or employee, and that any attempt to seek such special treatment may result in disciplinary action.

Council members are prohibited from using confidential information acquired by virtue of their associations with PAPA for their individual or another's private gain. Council members must, in all instances, maintain their conduct at the highest standards. Council members must not engage in activities which violate federal, state, or local laws or which, in any way, diminish the integrity, efficiency, or discipline of the Council or PAPA. Council members' actions are constrained by the intent

and the letter of these Policies and Procedures. Those constraints include but are not limited to the following:

- a) No Council member will by their individual actions circumvent the authority of the Executive Director.
- b) No Council member will act as advocate before the Governing Council for any individual or group of individuals unless they are appointed to that role through an action of the Governing Council.

## **A.10 GENERAL CONFLICT OF INTEREST**

### **A.10.1. General Principles:**

As a common policy, it is the responsibility of all employees (including for this purpose independent contractors providing services to PAPA) of PAPA, all volunteers at PAPA, and all Governing Council members to conduct themselves in accordance with the highest standards of integrity, honesty, and fair dealing to preclude conflict between the interest of PAPA and the personal interests of the employee, volunteer or Governing Council member. Likewise, it is the responsibility of PAPA to conduct all its business and operations impartially in accordance with all laws and in conformity with the highest ethical standards.

All hiring and other transactions imposing financial and/or legal obligations on PAPA shall be made with the best interests of PAPA as the foremost consideration.

PAPA also recognizes that the ultimate success of PAPA depends upon the active participation, cooperation and collaboration of parents, volunteers, employees, Governing Council members and students. Sometimes, the best interests of PAPA may involve the creation of relationships that might create an appearance of impropriety or potential for abuse of position, if not carefully evaluated by disinterested parties. PAPA therefore has established this policy to guide all PAPA employees, volunteers and Governing Council members in their actions or relationships, so that they will avoid the appearance of having their judgment or the performance of their duties compromised.

### **A.10.2. Conflict of Interest Definition:**

A conflict of interest occurs whenever an employee, volunteer, or Governing Council member permits the prospect of direct or indirect personal gain (or gain to a relative or Related Entity) to influence improperly his judgment or actions in the conduct of PAPA business. While it is not practical to specify every action by an employee, Governing Council member or volunteer that might create a conflict of interest, the following situations are considered to have that potential and MUST be avoided unless the situation has first been approved by the PAPA Ethics Committee.

1. Hiring of a Governing Council member or a relative of a Governing Council member as an employee, whether full-time or part-time;
2. Acquisition, leasing or sale of any property, facilities, materials, or contract services (e.g., financial, legal, public relations, computer) by PAPA under circumstances in which there is direct or indirect compensation (other than the regular salary received from PAPA by full or part-time employees) to an employee, volunteer, or Governing Council member, or a relative of an employee, volunteer, or Governing Council member or to a Related Entity (as such term is defined in Section A.9);

3. Acceptance by an employee, volunteer, or Governing Council member or a relative of the employee, volunteer or Governing Council member from any individual or company seeking to do business with PAPA, any loan, service, excessive entertainment, travel, or gift of more than nominal value. This does not preclude exchange of token gifts or entertainment that conforms to customary industry practices, provided such exchange does not obligate or appear to obligate the employee, PAPA, or any associated third party.

#### **A.11 AVOIDING CONFLICTS OF INTEREST**

In order to avoid conflicts of interest and the appearance of impropriety, the following restrictions on participation in Council deliberations and voting shall apply to certain members of the Council:

A. Faculty, staff, and student members of the Council (whether employed as employees or as independent contractors) shall not participate in Closed Session (as defined in subparagraph (C) below) deliberations relating to the compensation, evaluation, or discipline of any individual paid staff member, including independent contractor staff members, unless the particular staff member is supervised (directly or indirectly) by that Council member or invited to participate in the Closed Session at the express invitation of the Council;

B. Council members shall not participate in open meeting or Closed Session deliberations or votes relating to:

- (i) the hiring, compensation, evaluation, or discipline of (A) himself or herself; (B) any relative of the Council member; or
- (ii) any transaction between PAPA and any Related Entity (as such term is defined in Section A.9);

C. As used in this section , “Closed Session” shall mean any portion of a Governing Council meeting which is properly closed to the public in accordance with the provisions of the state Open Meetings Act.

#### **A.12 COUNCIL ORGANIZATIONAL MEETING**

The Council will hold its annual organizational meeting during the first regular Council meeting in July, unless no incumbent officers remain on the Council at the time a new Council takes office. In this instance, the Council will hold its annual organizational meeting during the first regular Council meeting after the new Council assumes office. The offices of the Council to be elected include President, Vice-President, and Secretary.

#### **A.13 COUNCIL COMMITTEES**

The Council has established standing committees and may form ad-hoc committees, which may consist of Council members and non-Council members.

The time and place of all Committee meetings shall be announced to the Council.

All Council members may attend any committee meeting but only the appointed members are voting members. The Council has established the following standing committees: an Executive Committee, a Finance Committee, an Audit Committee, a Long Range Planning Committee, an Arts Committee, a Policy Committee, and an Ethics Committee.

The function of the standing committees, other than the Executive Committee, will be fact-finding, deliberative, and advisory, rather than legislative or administrative.

Committee recommendations will be made directly to the Council, which alone may take action.

The responsibility of each committee shall be planned by the committee or directed by state/federal regulations and will be reflected in a memorandum approved by the Council and filed with these policies.

#### **A.13.1 Executive Committee**

The Executive Committee is composed of the Council officers, with the Executive Director and Business Manager as advisors.

The Executive Committee shall have authority to make decisions which (i) are, in the judgment of the Executive Director and/or the Council President, required to be made before the next regular or special meeting of the Council, or (ii) are delegated to the Executive Committee by the Council. The Executive Committee shall also work with the Executive Director to set the agenda for Council meetings.

#### **A.13.2 Finance Committee**

The Finance Committee is composed of five members and will include the Council President, one other voting Council member, a community member (not on the council), the Business Manager, and the Executive Director. #### A.13.7. Ethics Committee:

The PAPA Ethics Committee shall be composed of three members, one of whom shall be a Governing Council member appointed by the Governing Council as the chair, and two other members (who may be parents, staff members, or disinterested community members) who the Council believes will be able to evaluate potential conflicts of interest objectively and in the best interests of PAPA. The Ethics Committee is not a standing Committee.

If a transaction or situation described above in Section A.10 is proposed, or any other situation arises which any employee, Governing Council member, volunteer, student or parent believes may present an improper conflict of interest or potential for abuse of position, the matter may be presented to the Ethics Committee for evaluation. Anyone (including a member of the Ethics Committee) may initiate an evaluation by the Ethics Committee by notifying any member of the Governing Council or the Executive Director that he or she would like the Ethics Committee to consider the issue presented. The Ethics Committee shall promptly be formed by the Governing Council and shall convene after any such request and shall render a decision or recommendation within two (2) weeks following their formation, or such additional reasonable period of time as may be necessary to obtain any additional information deemed necessary by the Committee.

#### A. Ethics Committee Authority:

i) Proposed Transactions. The Executive Director shall not authorize (by approval of a Purchase Order or otherwise) or enter into any proposed transaction on behalf of PAPA described in Paragraph B unless and until the transaction has first been evaluated and approved by the Ethics Committee.

The Ethics Committee may, but shall not be obligated to, approve a proposed transaction (including the hiring of a Governing Council member, a parent, a relative of an employee, volunteer or Governing Council member, or any Related Entity) if the Committee concludes, after review of all pertinent data, that:

- (i) the transaction is financially no less favorable to PAPA than would be available in an arm's length transaction between unrelated parties;
- (ii) no employee or Governing Council member will be in a position to individually make decisions relating to the employment, supervision, compensation or discipline of a relative;
- (iii) no employee or Governing Council member will be in a position to individually make decisions relating to any transaction between PAPA and any Related Entity (as defined in Section A.9); and
- (iv) the benefits to PAPA outweigh any appearance of a conflict of interest. The Ethics Committee shall report its decision regarding any such proposed transactions to the Governing Council at the next meeting following its decision.

ii) Violation of Conflict of Interest Rules. In the event the Ethics Committee decides that a PAPA employee, Governing Council member, or volunteer has violated the conflict of interest rules or otherwise abused or attempted to abuse his or her position at PAPA, the Ethics Committee shall make a

recommendation to the Governing Council regarding appropriate action, and the disinterested members of the Governing Council shall decide what action shall be taken in response to such violation.

iii) Deliberations and Voting of Ethics Committee. All decisions made by the Ethics Committee shall require the affirmative decision of at least two out of the three members, after discussion and deliberation by all three members.

In the event a matter is presented to the Ethics Committee which involves a potential or alleged conflict of interest with respect to a member of the Ethics Committee, that member shall disqualify himself or herself from all deliberations relating to that matter and the Governing Council shall appoint a disinterested member to the Ethics Committee to consider the particular matter at issue.

B. Disclosure statement required.

Each Council member shall be responsible for disclosing to the Council the existence of any such direct or indirect interest. Failure to make such disclosure shall be grounds for voiding the transaction, at the discretion of the Council.

The High School and Middle School Student Council Presidents are invited to serve on any committee.

The Council may appoint ad hoc advisory committees when and as determined to be necessary or advisable by the Council. Ultimate authority to make decisions will continue to reside in the Council.

All committees shall keep written minutes of their meetings, and shall periodically present reports to the Council containing committee recommendations.

#### **A.14 EXECUTIVE COMMITTEE PROCEDURES**

No decision shall be made by the Executive Committee without the approval of at least two (2) voting members thereof, and no decision shall be made by the Executive Committee unless an effort has first been made to contact all members of the Executive Committee. If a member of the Committee is not available for consultation within two (2) hours after the first contact (or such shorter time as is appropriate in the context of an emergency), the decision of the other members of the Committee shall be binding, provided it is approved by at least two (2) members. The Executive Committee shall report the facts and reasons for such emergency decision at the next meeting of the Council.

Non-emergency decisions delegated to the Executive Committee by the Council shall be made by majority vote at a meeting of the Executive Committee held at a time and place established upon at least 48 hours' notice to all members of the Executive Committee, provided that shorter notice is acceptable if all members of the Committee are present at the meeting.

#### **A.15 COUNCIL MEETINGS**

Notice of all meetings of the Governing Council will be made in accordance with the Open Meetings Act. Draft and final agendas will be provided to the Council members and public in accordance with the Open Meetings Act.

Regular meetings of the Council will be held monthly, but not on school holidays. The Council will establish the calendar of regular meetings for each Council year at the first Council meeting in July. The date or time of the regular monthly meeting may be changed by action of the Council, provided that notice of the change has been properly published as required by the Open Meetings Act and a good faith effort has been made to inform the PAPA community. Council meetings will be held on school premises, or such other location as may be determined by the Council.

A special Council meeting may be called by the Council President, or by a quorum of voting Council members.

#### **A.16 COUNCIL AGENDA**

. A request from any other Council member that an item be included on the agenda must be submitted to the Executive Director at least four (4) calendar days prior to the meeting. A written request by non-Council members that an item be included on the agenda must be filed with the Executive Director at least seven (7) calendar days before the meeting. Such requests must include, in writing, all statements and materials the person anticipates presenting.

“Open Forum from the Public” shall be a standing agenda item.

Agenda items meeting the Open Meetings Act requirements to be held in closed session shall be stated with reasonable specificity in the motion calling for the vote on a closed meeting.

The Executive Director shall provide a draft copy of the agenda to each Council member and make the draft agenda available to the public at least 72 hours prior to the meeting. The final agenda shall be provided to the Council members and the general public at least 24 hours prior to the meeting.

#### **A.17 COUNCIL AND COMMITTEE DELIBERATIONS**

All Council members (voting and non-voting) shall work collaboratively with each other, with the sole goal of achieving PAPA’s educational mission. The Council has been constituted so as to include a broad spectrum of experience and perspectives, and every Council member shall be afforded the opportunity to express his or her opinion, in a professional manner, about matters before the Council. Council members shall refrain from non-constructive or personality-based comments that do not advance PAPA’s mission. Because the Council makes decisions as a deliberative body, it is expected that, except in extraordinary circumstances, Council members will voice their opinions to other Council members about Council matters in the context of Council and/or committee meetings, rather than in private communications among Council members.

Council members shall be expected to keep confidential any deliberations or discussions that take place in the closed session meetings. It is expected that Council members will raise concerns or share information about closed session meetings within the context of Council and/or other committee meetings with other members of the Council and appropriate staff members only. Until such decisions are ready for public comment, such information will not be shared with the PAPA community at large.

#### **A.18 ADDRESSING THE COUNCIL**

An individual may speak during the “Open Forum from the Public” agenda item after identifying themselves by signing in with the Council Secretary and being recognized by the presiding officer of the Council. All presentations should be brief and each individual speaking on an agenda item should limit his or her remarks to three (3) minutes.

The Open Forum in regular Council meetings will be limited to a total of 10 minutes unless extended by majority vote of the Council. People speaking at the Open Forum may present information to the Governing Council, but the Open Forum will include no Council actions or discussions. Individuals who wish to speak for longer than three minutes or who require Council discussion or action must use the procedure in A.15 to be placed on the Council agenda. Complaints about individual employees will not be heard at Council meetings.

#### **A.19 COUNCIL MINUTES**

A record of all actions of the Council will be set forth in the official minutes of the Council.

The minutes will be kept on file as the permanent official records of PAPA. Recordings of all open meetings will be on file for one year. The Council will maintain a separate handbook of resolutions passed by the Council. The Council will also maintain an indexed record of action.

#### **A.20 QUARTERLY COMMUNITY MEETINGS**

PAPA is a community endeavor, and its success depends upon the active participation of students, parents, employees, Council members, and interested citizens from the community at large. To facilitate this process, the Council will sponsor a community meeting to discuss matters of interest to the PAPA community. The meeting will be scheduled quarterly, thirty (30) minutes before a regular Governing Council meeting. The meeting will be advertised through the regular meeting agenda and school web site.

#### **A.21 SUSPENDING OR REVOKING POLICIES AND PROCEDURES**

Any policies of the Council, not specifically prescribed by applicable law or the charter, may be suspended or revoked by a majority vote of the Council. The Executive Director may, in case of emergency, suspend any parts of policies and procedures as they pertain to the administration of the school, provided that the Executive Director first attempts to obtain Executive Committee approval for such suspension, unless the emergency is such that the Executive Director must act immediately. The Executive Director will report the facts and reasons for such suspension at the next meeting of the Council, and the suspension will expire at the time of said report unless continued in effect by the Council.

## A.22 POLICY ADOPTION

Adoption of new policies or the revision or repeal of existing policies is solely the responsibility of the Council. Proposals regarding policies may only originate with a Council member, Executive Director, or the Policy Committee. Staff members, students, civic groups, parents or other interested citizens may request that a Council member or the Executive Director sponsor a proposed policy.

The Council will adhere to the following procedure in considering and adopting policy proposals to ensure that such proposals are thoroughly examined before final action: The Policy Committee will draft and review new policies or revisions to existing policies. After such review, the Policy Committee will make such proposed policies available for public comment by staff members, students, civic groups, parents or other interested citizens, for a period of at least ten (10) days, and notice of such proposed policies shall be included in PAPA's newsletter or web site and posted in a prominent location at the school. Upon request, the Executive Director shall make copies of the proposed policies available to interested parties. Comments on the proposed policies must be submitted in writing to the Executive Director by the deadline specified by the Policy Committee. Following such public comment period, the Policy Committee shall consider any comments received and determine whether changes to the initial draft policies should be recommended. After such consideration by the Policy Committee, and adoption of any recommended changes, the Policy Committee shall present to the Council for consideration its final recommended policies or revisions.

The Policy Committee shall also submit to the Governing Council a summary of all comments submitted. The public comment process shall apply to all policies proposed by the Policy Committee after the date this amended policy is adopted by the Governing Council.

The grievance procedure is detailed in section C.3 EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE.

#### **C.1.2 GENDER DISCRIMINATION AND SEXUAL HARASSMENT**

PAPA is an equal opportunity employer and prohibits discrimination/harassment in all facets of employment to include but not limited to recruitment, job advertisement, employment, compensation, promotions, transfers, demotions, layoffs, termination's, or selection for PAPA-sponsored training programs.

#### ***A. Discrimination and Harassment***

Discriminatory and harassing behavior violates PAPA policies which are supported by State and Federal civil rights laws/regulations and denies access to equitable employment opportunities. This behavior

includes, but is not limited to, comments, name-calling, conduct of a physical nature, or other expressive behavior directed at an individual or group on the basis of race, color, national origin, ethnic background, religion, sex, sexual orientation, age, political affiliation or marital status. Discriminatory and harassing behavior creates a demeaning, intimidating and hostile working environment.

It is the policy of the PAPA Governing Council to provide a working environment free of discrimination based on gender. Sexual harassment in employment is prohibited.

Sexual harassment is unwelcome sexual advances which request sexual favors and written or verbal conduct of a sexual nature. If the following conditions exist, those actions constitute harassment: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting the individual, or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

If the behavior toward another employee makes them feel intimidated, uncomfortable or if the employee feels threatened, it may be considered sexual harassment even if the harasser did not intend for his or her action(s) to be offensive.

Sexual harassment is also illegal under state human rights statutes and may be considered a criminal offense under state and local assault and child abuse laws.

Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, the Age Discrimination in Employment Act of 1967, Equal Pay Act of 1963, New Mexico Human Rights Act, 1969, PAPA Governing Council policies prohibit discrimination in the workplace. The PAPA Title IX Coordinator is the Executive Director.

Individuals or groups are in violation of this policy if they engage in the following behaviors (not all inclusive) toward a student/fellow employee or any other individual on PAPA grounds, in the work place, at PAPA work-sanctioned activities or in vehicles owned or dispatched by PAPA:

1. Making demeaning remarks directly or indirectly to an individual or group;
2. Displaying suggestive visual or written material or defacing PAPA property or materials;
3. Staring, glaring, obscene gestures, suggestive gestures (touching your private/intimate parts in front of others);
4. Repeatedly asking someone out when he/she is not interested, or;
5. Damaging, defacing, or destroying private property of any person.

### ***B. Sexual Misconduct Definition***

Sexual misconduct may include, but is not limited to, physical act(s) of aggression, force or threat against another employee of the same or opposite sex, threatening to force or coerce sexual acts, including the touching of private/intimate parts, and coercing, forcing or attempting to coerce or force sexual intercourse.

Although sexual misconduct may be considered sexual harassment, these acts need to be reported to the PAPA Executive Director.

### ***C. Reporting and Complaint Procedure***

The procedure for filing complaints is described in section C.3 EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE.

#### **C.2 HIRING PROCESS**

(updated 11/29/2016)

All full-time and part-time employee positions at PAPA (including adjunct teaching positions) shall initially be advertised/posted on the PAPA, APS, and PED websites and/or at least one time in the Albuquerque Journal. , The Executive Director may advertise in other publications. If an applicant for a newly created or vacant position has already been employed by PAPA as an independent contractor or part-time employee in a related capacity with similar duties and responsibilities, and the Council or Executive Committee determines that advertising the newly created or vacant position would, because of the associated time delays, jeopardize the ability of PAPA to carry out its mission, the Council or Executive Committee may waive the necessity of advertising.

##### **C.2.2 EMPLOYEE INTERVIEW AND HIRING PROCESS**

###### **EXECUTIVE DIRECTOR**

The Governing Council hires the Executive Director. The form of the Executive Director's contract, and any renewal of that contract, shall be subject to Council approval. Should a vacancy or prospective vacancy in the position of Executive Director occur, the Council shall follow this policy regarding the advertising, interview, and hiring process associated with filling that vacancy. If any Council member feels that he or she cannot be fair and objective in connection with any hiring decision, such member shall excuse himself or herself from the deliberations.

### ***B. TEACHERS AND SUPPORT STAFF***

The Executive Director makes hiring decisions for all teachers and other staff members. The Executive Director, possibly with the assistance of a committee appointed by the Executive Director, shall screen all resumes and applications submitted for any staff positions, including teachers, the senior administrator(s) and the support staff. The Executive Director or the appointed committee will interview potential candidates who appear to meet the minimum qualifications for the position.

### **C.2.3 CONTRACTED SUPPORT SERVICES**

The Executive Director shall be responsible for engaging all other personnel contracted to provide support services to PAPA on a non-employee basis, provided that such engagement is consistent with the Procurement Code, other PAPA policies, and applicable New Mexico law and regulations governing certified school personnel.

### **C.2.4 SALARY SCHEDULES, APPROVAL OF HIRING AND WRITTEN CONTRACTS**

The Governing Council shall approve annual salary schedules for all employment positions at PAPA, including substitute teachers and other temporary employees. The salary schedule for teachers will be based on the State's 3-tier rate structure.

All PAPA employees other than substitute teachers and other short-term, non-certified temporary employees shall execute written employment contracts with PAPA, which shall be signed by the employee and the Executive Director. The Executive Director shall approve the form of all employment contracts with PAPA employees with the exception of the Executive Director's contract created by the Governing Council. The contracts will comply with the School Personnel Act, NMSA 1978, Sections 22-10-1 et seq. and expressly set forth the salary, period of employment and, for non-certified employees, the job description/work objectives. Employment shall not begin until such employment contracts have been executed, unless emergency circumstances require emergency hiring actions. Copies of each employee's employment contract shall be maintained in the employee's individual personnel file maintained by the business office.

### **C.2.5 AT WILL EMPLOYMENT**

All non-certified employees of PAPA shall be hired on an "at will" basis, and can be dismissed at any time with or without cause, provided that, pursuant to NMSA 1978, any non-certified employee who has been employed by PAPA for three consecutive years may be terminated with a statement of cause following all due process procedure safeguards as stated by Federal Law and the statutes of the State of New Mexico. The employment contract for an "at will" employee shall reflect such employee's at will status.

Certified employees will be hired on an at-will basis for the first two years. After the third contract is signed, a certified employee can be terminated or discharged with just cause following the due process procedures established by the Federal and State law.

The Executive Director is hired on an at-will basis with no cause for discharge at the end of the employment contract.

### **C.2.6 TERMINATION OF EMPLOYMENT**

PAPA will comply with the provisions of the School Personnel Act and other applicable law in relation to termination of the employment of school employees.

Termination by PAPA of the employment of any PAPA employee, either unilaterally by PAPA or by mutual consent, will be recorded in writing and a copy given to the employee. Written resignation shall be requested from an employee resigning their employment with PAPA.

An employee or contractor whose employment or contract is terminated by PAPA other than by mutual agreement shall be deemed forthwith upon such termination to have relinquished membership on the PAPA Governing Council, any Council committee and any PAPA committee or group directed by or under the supervision of any PAPA staff or Council member. The spouse or family member of any employee or contractor whose employment or contract is terminated as aforesaid shall likewise be deemed forthwith upon such termination to have relinquished membership of any such committee or group.

Immediately after cessation of employment for any reason whatsoever, no employee shall have unsupervised access to any material (comprising books, records, computer data and other property of whatsoever nature) on PAPA premises. The Executive Director or designee shall accompany the employee to secure removal of personal items only. If there is any doubt as to whether any material constitutes personal items of the employee, the material shall remain with PAPA pending resolution save that photocopies of disputed documentation may be made at the employee's expense and the copies may be removed by the employee.

All employees that resign must give notice of resignation as stated in the employment contract. The Executive Director may release the employee earlier than the contract specifies if a suitable replacement is found or program assessment warrants the early release.

Employees who resign their employment will be requested to attend an exit interview. The exit interview will be conducted by the Executive Director, and will take place as soon as possible after notice of resignation is received. The purposes of the exit interview will be to establish details of the circumstances leading to the employee's decision to resign and to obtain information that would enable PAPA to assess any future relationship with the employee. The Executive Director will keep and maintain written reports regarding the content of each interview.

### **C.3 EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE**

PAPA encourages employees to report incident(s) of discrimination/ harassment and resolve their complaints at the lowest level. If further assistance is needed, contact your immediate supervisor or his/her supervisor.

No employee will suffer retaliation or intimidation for participating in the internal complaint process.

Retaliation against any employee seeking assistance at PAPA, filing a complaint, or participating in the investigative process is grounds for a subsequent retaliation/harassment complaint. PAPA will respect the privacy of the complainant, the individual(s) against whom the complaint is filed and the witnesses as much as possible, consistent with our legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. PAPA will make all reasonable efforts to maintain the confidentiality of the reporting of and investigation of discrimination and harassment.

#### **C.3.1. Purpose.**

The purpose of this policy is to provide a procedure for the reporting and resolution of certain types of legitimate employment-related concerns of the employees of PAPA at the earliest possible time and with the least possible expense and disruption. The Governing Council recognizes that most personnel difficulties encountered by employees arise from a lack of communication. This procedure is designed to provide a formal mechanism for promoting or restoring such communication so that problems may be resolved before far more serious difficulties result. This policy is not designed to deal with issues that

must be considered within the context of personnel management decisions, including employee evaluation and discipline, as more particularly described in part C below.

### C.3.2 Definitions.

**Grievant:** An employee or group adversely affected by an employment condition and seeking resolution.

**Grievance:**

2. Any personnel decision made by the Governing Council or Executive Director, including but not limited to, a refusal to re-employ, a discharge, a demotion, a modification or elimination of an employment position, establishment of salaries or salary schedules, or any other action directly affecting the employment of an employee;
3. Situations in which the Executive Director and the Governing Council are without authority to act;
4. Situations in which resolution resides in some person, agency or authority other than the Governing Council;
5. Situations in which a different procedure or resolution has been provided by the Governing Council;
6. Situations in which state and/or federal law or authority takes precedence;
7. Situations involving a grievance by a contractor with PAPA, including any faculty member engaged as an "independent contractor" rather than an "employee;"
8. Grievances filed by a former employee after the effective date of termination or discharge from employment.

### C.3.4. General Procedural Requirements:

1. A grievance must be initiated at Level 1, as provided in Section C.3.5.5.1, within ten (10) working days of the date upon which the grievant became aware of the circumstances which gave rise to the grievance.
2. No employee shall suffer retaliation, recrimination, discrimination, harassment, or be otherwise adversely affected because of this grievance procedure.
3. Whenever possible, any grievance conference or hearing at any level shall be scheduled during a mutually convenient time that does not conflict with the regularly scheduled school program.
4. A grievant requiring the attendance and testimony of other employees shall have the right to bring such witnesses as are willing to testify on his or her behalf, and any necessary substitutes or released time shall be provided and the expense borne by PAPA when hearing must be scheduled during the school day.
5. A separate file shall be maintained by PAPA's administration for grievances. All documents produced during the processing of a grievance shall be maintained in this file. All parties shall maintain confidentiality with regard to the proceedings, and the resolution of the grievance shall not be made public unless (1) agreed to by the grievant and the Executive Director, or if the grievance is ultimately decided by the Governing Council, the Governing Council, (2) the grievant pursues the matter beyond this policy, or (3) disclosure is otherwise required by applicable law or court order.
6. Nothing contained in this policy shall be construed to limit in any way the ability of PAPA and the grievant to resolve any grievance by formal means, and nothing in this policy shall be construed as requiring resort to such formal means, if any, when grievable problems arise.
7. A grievant may terminate the process at any level by indicating in writing a desire to do so, by accepting the resolution at that level, or by failing to pursue the grievance by filing at the next level within the specified time limit.
8. All grievances shall be filed and processed on grievance forms prepared by PAPA and available in the office of the Executive Director.
9. The time limits at any level may be extended by mutual agreement between the grievant, and the supervisor, Executive Director and/or Governing Council, as applicable. If no extension is allowed by mutual agreement, and the next applicable step is not initiated by the grievant within the time limits established, the grievance shall terminate at the last level accomplished and the resolution at that level shall be deemed final and non-appealable.
10. Any decision rendered by the Governing Council shall be final and non-appealable.

### **C.3.5. Procedural Steps.**

#### ***C.3.5.5.1 Level 1 (Informal Conference)***

The grievant shall first discuss the grievance with the immediate supervisor in a good faith attempt to resolve the grievance. In the case of a claim of sexual harassment in which the grievant's supervisor is

the subject of the claim, the grievant may initiate the grievance at the next level, which is that of the subject's supervisor.

#### ***C.3.5.5.2 Level 2 (Supervisor)***

If the grievant is not satisfied with the Level 1 Informal Conference discussion and disposition of the grievance, a written grievance may be filed with the immediate supervisor within ten (10) working days of the Level 1 disposition. The immediate supervisor shall communicate the proposed grievance resolution in writing to the grievant within five (5) working days from the filing of the formal grievance.

Although no hearing or conference is required at this level, the immediate supervisor shall have the discretion to require a hearing or conference and gather evidence prior to the preparation of the decision.

The hearing or conference, if any, shall be as informal as possible and shall be conducted as the immediate supervisor, using discretion, feels is appropriate for a full understanding of the grievance, the position of the grievant and the evidence supporting that position.

If the grievant's immediate supervisor for the Level 2 step is the Executive Director, and the grievant is not satisfied with the resolution of the grievance at Level 2, or if the Executive Director fails to issue a proposed resolution within the time limit set forth for a Level 2 phase, the grievant may proceed directly to Level 4.

#### ***C.5.3.3.3 Level 3 (Executive Director)***

If the grievant is not satisfied with the resolution of the grievance at Level 2, or if the supervisor fails to issue a proposed resolution within the time limit set forth above, the grievant may file the grievance with the Executive Director (if the Executive Director was not the grievant's immediate supervisor for purposes of the Level 2 step), within five (5) working days after the resolution was rendered or was due, if none was received. The Executive Director shall conduct a closed informal hearing with the parties to the grievance within five (5) working days after receipt of the grievance. The hearing by the Executive Director shall be as informal as possible and shall be conducted as is appropriate for a full understanding of the grievance. The Executive Director shall have the right to ask any questions of the interested parties deemed necessary. Within five (5) working days following the hearing, the Executive Director shall render a written proposed resolution to the grievant.

#### ***C.5.3.3.4 Level 4 (Governing Council)***

If the grievant is not satisfied with the resolution of the grievance at Level 3 (or Level 2 if the grievant's immediate supervisor for purposes of Level 2 was the Executive Director), the grievant may make a written request, within five (5) working days after the Executive Director's resolution was rendered or was due, if none was received, to the Secretary of the Governing Council for a hearing before the Governing Council.

The holding of a hearing by the Governing Council is discretionary, and such decision shall be made by the Governing Council at its next regularly scheduled meeting after receipt of the written request for a hearing. If the Governing Council rules that it is appropriate to hear the grievance, it shall set the date for such hearing, which shall be held not more than 10 days following the decision to hold a hearing, and the Secretary of the Governing Council shall notify the interested parties. The parties in interest shall submit written statements of position which shall be delivered to the Governing Council members at

least five (5) working days prior to the hearing. In addition, any other documentary evidence desired to be reviewed by the Governing Council shall be submitted at this time.

The hearing shall be conducted as follows:

1. Each party in interest to the grievance shall have the opportunity to present oral statements limited to 30 minutes each. The presentation shall be limited to a review of evidence previously presented, unless the Governing Council, in its discretion, allows new evidence to be presented during the hearing. Cross-examination shall not be allowed.
2. Since grievances are considered as “limited personnel matters” as defined in the Open Meetings Act, the hearing will be conducted in a closed session unless the grievant demands that the hearing be held in open session, in which case the hearing must be open. However, if the grievance includes personally identifiable information about any individual student the hearing will be in closed session unless the student, parent or guardian requests otherwise.
3. The Governing Council may make such inquiries of any party in interest as it deems necessary or appropriate.
4. The Governing Council shall render a written decision within ten (10) working days. In arriving at its decision, the Governing Council has complete discretion in fashioning such relief, if any, as it believes is appropriate, regardless of the relief requested.

Nor shall any such person receive any commission or profit from the sale or any transaction to sell..." (22-21-1.A NMSA 1978)

"...The provisions of this section shall not apply... in cases in which certified school instructors or certified school administrators contract to perform special services...during time periods where in service is not required under a contract for instruction or administration." (This paragraph covers hiring athletic officials.) (22-21-1.B NMSA 1978)

No violation of this section would result where the contract is truly with a spouse only, in the regular course of his or her business, and the employee has no personal interest, pecuniary or otherwise, in the contract.

Administrative measures for any PAPA employee who is found to be in a position of Conflict of Interest as defined above includes transfer to a position so he or she cannot conduct business with the outside agency in question.

#### C.5 DRUG-FREE WORKPLACE

In accordance with federal and state law, PAPA has adopted a common Drug Free workplace policy. The unlawful possession, dispensing, distribution, manufacture, sale or use of controlled substances and alcohol in the workplace by a PAPA employee is prohibited on PAPA premises or as part of any PAPA activity.

Since PAPA is the recipient of federal funding, as a condition of employment individual employees are required to notify their respective supervisors within five (5) days if they are convicted of a criminal controlled-drug statute violation occurring in the workplace. Failure by an employee to report such a conviction may be grounds for disciplinary action. Supervisors who become aware of a conviction of an employee for a criminal controlled-drug statute violation occurring in the workplace should immediately notify the Executive Director, who is responsible for ensuring institutional compliance with the Drug-Free Workplace Act of 1988.

Violation of this policy will be considered a serious matter and inconsistent with PAPA employment practices and will result in disciplinary action, which may include termination of employment and referral to law enforcement.

PAPA will implement and maintain drug-free awareness programs to inform employees about the dangers and risks of drug abuse in the workplace, about PAPA's drug-free policy, about available community counseling and referral services, and about the penalties involved for drug violation convictions.

  - c. All requests must be accompanied by a physician's statement which includes the beginning date of the condition, and a description of the illness or injury. All requests must indicate the number of leave days requested and information supporting the request. The employee must complete a release of medical information form to allow administration and committee access to the medical information the employee submits with their request.
  - d. The Catastrophic Leave Bank Committee will render a decision to the employee within ten (10) business days after receipt of the request.

#### **C.10 DUTY DAY**

The normal duty day will be in accordance with their contract and includes a 30-minute lunch break. Teaching staff are expected to be at school at least fifteen minutes before and after the school day. The Governing Council will announce annually the school day time schedule.

#### **C.11 STAFF DEVELOPMENT**

All personnel are encouraged to pursue a program of continued growth. To assist employees in assuming this responsibility, PAPA will provide PAPA employees with staff development opportunities. All professional development leave days are subject to advance approval by the Executive Director.

## **C.12 PERSONNEL EVALUATIONS**

The Executive Director or the Executive Director's designee will maintain a system of evaluation for all personnel in compliance with the laws of New Mexico and the standards and procedures adopted by the State Board of Education and the PAPA Governing Council. The Governing Council shall evaluate the Executive Director.

### **C.12.1 EXECUTIVE DIRECTOR'S EVALUATION**

An effective working relationship between the Executive Director and the Council is essential to the successful operation of PAPA. The development and maintenance of such a relationship may be assisted by a periodic review of the Executive Director's diverse responsibilities accompanied by an appraisal of the Executive Director's performance.

Based on a process and criteria that are mutually agreeable to the Council and Executive Director, the Council will evaluate the Principal's effectiveness. The evaluation document and procedures to be used will be reviewed and approval annually by the Council and the Executive Director.

The schedule for evaluation will be outlined in the Executive Director's employment contract.

## **C.13 TUTORING OR ADVISING FOR PAY**

Except for PAPA personnel receiving stipends for extra- or co-curricular activities and adjunct faculty, PAPA personnel are not permitted to receive private pay for tutoring or advising any students assigned to them for classroom teaching or other PAPA functions.

## **C.14 BACKGROUND INVESTIGATIONS**

(Updated 11/29/2016)

Prior to employment, all persons shall be subject to a criminal background investigation at the applicant's cost.

Background investigations shall be repeated not to exceed every five years. The school will pay for these repeat background checks.

## **C.15 EMPLOYEE STANDARDS OF CONDUCT**

Employees of PAPA shall serve as positive role models for students and set good examples in conduct, manners, dress and grooming. All personnel are expected to be neat, clean and appropriately dressed while representing PAPA. Professional personnel are expected to dress in a manner that projects a professional image for the employee and PAPA. Extremes in personal appearance or dress are not considered to be in good taste. In no case shall the standard for employees be less than that prescribed for students as published annually in the PAPA Student Handbook. The Executive Director is expected to counsel staff on appearance and conduct, if necessary. Failure to comply with the obligations set forth in this section may result in disciplinary action against the employee.

Licensed employees are bound by the New Mexico code of ethics of the education profession

## **SECTION D FINANCIAL MANAGEMENT POLICIES**

(Adopted by Governing Council 8/9/01, amended 06-27-02, 09-05-02, 05-08-03, 12/11/13)

(Amended by the Governing Council 3/29/2016)

### **D.1 Budget Process**

PAPA will prepare and adopt an annual budget in accordance with statutory requirements. The budget is prepared under the direction of the Executive Director, and must be approved by the Governing Council. Once approved by the Governing Council, the operating budget is reviewed and approved by APS and included separately in the budget submission to the State Department of Education pursuant to the Public School Finance Act and the 1999 Charter Schools Act.

Proposed increases, decreases and adjustments to the finalized budget must be approved by the Governing Council. Upon such approval, the proposed budget changes must be presented to the State Department of Education for approval. Once all approvals are in place, the change is recorded in PAPA's Financial Management System and the adjustment is made to the original budget. Upon completion of the final close for each fiscal year, PAPA determines the actual cash balances for all funds and reports them to APS by the designated deadline.

### **D.2 Segregation of Duties**

The assignment of duties to staff members and/or contractors who have access to the PAPA financial management system is done with the intent of limiting the ability of any one person to cause or conceal errors or irregularities. Working within certain limitations, including staff size, incompatible functions are not assigned to any one person. Added administrative review and oversight procedures will act as a mitigating control. Notwithstanding that any particular financial management function is assigned to the Business Manager or other senior administrative staff in terms of this policy, the Executive Director retains overall control and authority and the Business Manager and/or senior administrator/s at all times act under the direction and supervision of the Executive Director and subject to any limitations (particularly in relation to authority to contract for goods or services) as the Executive Director deems appropriate.

### **D.3 Payroll**

Payroll is processed on a Bi-monthly basis. Exempt employees are paid by exception and Non-exempt employees are processed from timesheets. Each employee is responsible for reporting absences. In the case of pre-approved leave (other than sick time) an approved Leave Request Form (LRF) should be submitted to the business office (or for Non-exempt employees, attached to the timesheet) to verify that the leave was authorized by the Executive Director. All insurance and other deductions are submitted to the Business Manager on the proper forms. Records of these deductions are kept with employee files.

Payroll for PAPA employees shall be handled as described in this paragraph. The Business Manager shall prepare a regular bi-monthly payroll schedule for all PAPA employees, which shall be approved by the Executive Director and the Business Manager and forwarded to the Business Assistant. The Business

Assistant shall process payroll payments (either through preparation of checks, or if authorized by the employee, automatic deposit) according to the approved bi-monthly schedule. No payroll deviations from the bi-monthly payroll schedule shall be made unless the Business Assistant receives authorization by both the Business Manager and the Executive Director. Payments to independent contractors shall be processed by PO and invoice in accordance with PAPA's normal purchasing policy, and may include the use of blanket PO's for regular payments (to adjunct instructors, for example).

#### **D.4 Purchasing and Encumbrances**

The Business Office is responsible for assuring that all purchases against designated budgets are appropriate and necessary. The requestor initiates purchase by requesting that the Business Manager issue a Purchase Order (PO) provided that the Executive Director has approved the request. The Business Manager is responsible for ensuring the requested purchase is appropriate and necessary and that funds are available. Upon such preliminary approval, the Business Manager will prepare a PO, which must be coded and classified appropriately according to the State Department of Education budget codes and categories. The Executive Director must sign all PO's. Once the PO has been signed by the Executive Director, the Business Office will place the order. Blanket PO's may be prepared for recurring expenses, such as rent payments and purchases under blanket contracts, but it shall be the responsibility of the Business Manager to ensure that the Business Assistant prepares the necessary monthly (or other periodic) checks to avoid late charges and/or other late payment consequences. Any such blanket PO shall specify (a) the amount and date of any regular payment, if applicable; or (b) the maximum annual contract amount if there is no specific regular payment. The Business Assistant shall not issue any check for amounts under a blanket PO without verifying that the current payment amount will not cause the total payments under the blanket PO to exceed the maximum amount specified.

Upon completion of the order, the PO is forwarded to the Business Assistant to be recorded as an encumbrance. A copy of the PO is kept by the Business Office until the order is received in its entirety and ready for payment. The Business Manager is responsible for verifying that all shipments meet PO requirements. Upon payment, the PO is cleared by the Business Assistant from the encumbrance list and is recorded as an expenditure.

PAPA will not operate any credit card, or debit card (VISA, MasterCard, American Express, Discover and the like). PAPA will not enter into any agreements for provision of any other type of retail credit facility (for example, store credit accounts) without the specific resolution of the PAPA Governing Council.

#### **D.5 Accounts Payable**

All vendor invoices are received in the business office. The vendor invoice is matched to the purchase order and to the receiving advice. The Business Manager shall approve such matching items for payment and forward them to the Business Assistant for preparation of checks. The Business Manager shall manually initial and date the invoice (or other payment instrument in the event invoices are not issued for recurring expenses, such as rent payments) to indicate such approval for payment, and designate on the invoice the correct State Department of Education account and category classifications for payment.

The Business Assistant is required to verify that the invoice is correct by checking extensions, footing, discounts, and Freight terms and to ensure that appropriate approvals are clearly indicated on all documents. After all items are reviewed and deemed appropriate, the Business Assistant will ensure that the invoices are batched for the next check run. Checks will be printed twice a month, except in extraordinary cases authorized by the Business Manager.

All checks and the related invoices are forwarded to the Business Manager for purposes of obtaining two required signatures. The Executive Director and Assistant Director will verify the amount on the check with the approved requisition, PO, and invoice. If all correctly match, they will sign the check. The finance committee will review all expenditures monthly at the Finance Committee Meeting. The Business Manager will mail or deliver the signed checks to the vendor, and the related PO, invoice or other payment advice and check stub and/or a copy of the check will be filed in the onsite business office.

All unused checks must be retained by the Business Assistant. After processing by the Business Assistant, the Business Manager shall retain all cancelled checks, voided checks, and original bank statements at PAPA's onsite business office.

The Business Manager shall reconcile all bank accounts on a monthly basis. The Business Manager is responsible for preparing the bank reconciliation and will present it to the finance committee for review and approval.

#### **D.6 Travel and Other Reimbursements**

Employees and Governing Council Members of the school may be entitled to reimbursement of registration fees, mileage, per diem and other costs associated with authorized trips for official school business. Governing Council member travel where reimbursement is requested must be approved in advance by the Governing Council.

All employee in-state travel must be approved in advance by the Executive Director for reimbursement to be authorized. All employee out of state travel must be approved in advance by the Governing Council. The approved Leave Request Form (LRF) will serve as formal authorization for the trip. A copy of the approved LRF should be attached to the employee timesheet.

All reimbursements are processed in accordance with the Per Diem and Mileage Act, as outlined in the DFA regulations. The Business Manager shall keep on file a copy of the current schedule of such allowable reimbursement rates and procedures. All receipts for out of pocket expenditures for transportation, lodging, registration, and miscellaneous expenditures are required for reimbursement. Any meals and/or lodging costs included in the registration fee are deducted from the per diem reimbursement.

Where any person requests reimbursement for monies expended on PAPA's behalf, the procedure set out in D.5 above will apply. The actual vendor invoice must be produced and matched to a properly authorized purchase order in order to obtain reimbursement.

## D.7 Cash Receipts

PAPA shall issue receipts pursuant to the following procedure for money received from all sources, except wire transfers of funds from Albuquerque Public Schools or the State Department of Education. Electronic receipts of funds from Albuquerque Public Schools or the State Department of Education shall be receipted for using the procedure designated by the sender.

### A. Cash Receipts:

PAPA shall issue a factory pre-numbered receipt for all money received by PAPA. Pre-numbered receipts need to be controlled and secured. The receipt shall be in triplicate and shall contain at least the information mandated by PSAB Supplement 7. Daily receipts for student lunches shall be processed using the special receipt procedure outlined below.

The disposition of the receipts in triplicate shall be as follows: original to payer; duplicate attached to PAPA's copy of the deposit slip or transmittal and forwarded to the Business Assistant for recording in the financial management system; triplicate remains in the receipt book and retained in the business office.

If a receipt is voided, all copies shall be "VOID" and retained in the receipt book. They shall be available to the auditor during the audit.

Receipts by PAPA for student lunches shall be handled as follows: (a) a log of daily receipts, reflecting student payments and other information required by PSAB Supplement 7 shall be maintained; (b) a "bulk receipt" (using the standard pre-numbered triplicate receipt forms) shall be issued for the total of the total student lunch receipts for the day, with one copy attached to the daily log, one copy attached to the deposit slip or transmittal and forwarded to the Business Assistant for recording in the financial management system, and the triplicate copy retained in the receipt book; and (c) the daily receipts shall be deposited in accordance with Paragraph B (Depositing) below.

### B. Depositing:

Money received and receipted shall be deposited in the bank within 24 hours or one banking day. Money received during events that take place after 3:00 pm on Friday or on Saturday or Sunday shall be deposited the following Monday. The cash must be secured over the weekend as the employee in possession is responsible for the cash until the deposit is made. The deposit slip should have the numbers from applicable receipts entered on it or attached as a reference. All funds held overnight pending deposit shall be kept in a safe or other secured locked location.

Cash receipts shall be counted and deposit slip totals verified by at least the person making the deposit and the Business Assistant or other staff member designated by the Executive Director and a third staff member or independent contractor shall take the funds to the bank for deposit. At the beginning of each school year, the Executive Director shall designate the staff members/independent contractors responsible for handling cash receipts and deposits. A copy of such annual designation shall be appended to this policy.

### C. The Revenue Ledger

The duplicate receipt portion of the receipt form should be used as the source from which to make entries to the Revenue Ledger, and the triplicate form remaining in the receipt book shall be used to verify entries to the Revenue Ledger no less frequently than quarterly.

A revenue ledger is required for each receipt code as approved in the finalized budget. If PAPA receives revenue from sources other than those budgeted, it will be necessary to prepare additional revenue ledgers. The ledger shall include, at a minimum, the items mandated by PSAB Supplement 7.

The revenue ledger is the source from which to obtain the data required by the Receipts Section of the financial reports required by the State Department of Education.

A Cash Receipts Journal should be used for each fiscal year. It shall begin July 1 and be closed as of June 30. This journal shall be presented to the auditor during the annual audit.

### D.8 Accounts Receivable

The Business Assistant is responsible for billing and monitoring the collection of all amounts due from outside agencies under the direction of the Business Manager. The Business Manager is responsible for tracking and verifying the cash balances for all Federal, State, and other grants and contracts awarded to PAPA. The Business Assistant, under the direction of the Business Manager, prepares requests for Cash, Reimbursement Reports and Invoices necessary for collection of amounts due for various programs.

### D.9 Petty Cash

Petty Cash Funds are issued upon authorization of the Business Manager. A petty cash custodian is assigned the responsibility for maintaining and reconciling the fund. The reconciliation will show the appropriate codes and classifications for items paid and the balance remaining. All items added together should equal the total of the petty cash fund. The petty cash fund is kept separate from any other cash at all times.

The petty cash fund is intended for individual purchases of \$100 or less, with a total fund value of not greater than \$500. A petty cash voucher is required for all payments made from the fund. The petty cash receipts documenting all purchases are submitted to the Business Assistant with the reconciliation to replenish the fund.

The petty cash fund must be returned to the Business Assistant in cash or in receipts before the end of each fiscal year. Another petty cash fund may be requested in the new fiscal year.

### D.10 Investments and Property

PAPA will account for all monies placed in interest-bearing accounts. Excess cash balances in the interest-bearing bank account generate interest, which is credited by the bank on a monthly basis. The amount of interest earned is recorded in the financial management system upon preparation of the monthly bank reconciliation.

Fixed Asset Inventory records are maintained by the business office. The inventory database includes asset number, a description of the item, a serial number or other identifying label, the purchase order number, the acquisition date, the fund (as reflected in the State Department of Education budget and accounting system), and the location. The Business Manager shall establish a procedure for ensuring that all PAPA fixed assets are properly entered into the system upon acquisition.

An annual inventory will be taken at the school and a certification will be signed by the Business Manager. In no case should property be removed or discarded without appropriate approval. Section 13-6-2, NMSA 1978, provides that a school district is empowered to sell or otherwise dispose of real or personal property belonging to the school district. A disposition is any sale, lease, trade, exchange, and/or gift. In essence, this means to remove the item from the primary control of the school district. In accordance with Section 13-6, NMSA 1978, PAPA must obtain permission from either the Public Education Department (PED), Department of Finance and Administration (DFA), or State Auditor's Office (SAO) on any and all dispositions of property (Lease, Sell, Exchange, or other disposition) depending on the value or terms of the lease. Approval is needed from the appropriate entity as listed below:

#### SAO

- If the real or personal property is valued at or less than \$5,000 and obsolete or unusable, or the district desires to demolish a building, approval is only needed from the SAO. Please contact the SAO for specific procedures. Disposition may be made by:
  - Negotiated sale to any governmental unit of an Indian nation, tribe or pueblo in New Mexico, or by negotiated sale or donation to other state agencies, local public bodies, school districts, state educational institutions or municipalities,
  - Sale at public auction,
  - Destruction,
  - Disposal of hazardous materials in compliance with environmental regulations, and
  - Sale through solicitation of written bids through the state purchasing division.

#### DFA

- State statute provides that any sale, trade or lease of real property for a period of more than five years or
- any sale trade or lease for a consideration of more than \$25,000 shall not be valid unless it is approved prior to its effective date by the DFA.

#### PED

- Approval is needed from PED for all personal property or demolition with a value of more than \$5,000 or

- any sale, trade or lease of real property for a period of less than five years and when consideration is between \$5,000 and \$25,000.

#### **D.11 Audit**

PAPA will comply with the follow regulations regarding audits:

- Public School Finance Act, Sections 22-8-1 through 22-8-42
- NMSA 1978 Budget Preparation and Maintenance Standards
- SBE Regulation 6 NMAC 2.2 Public School Accounting and Budgeting Supplement
- Manual Procedures New Mexico State Auditor Rules and Regulations pertaining to audits of state and local government divisions
- The Business Manager will coordinate the engagement of personnel to conduct the required audit.

#### **D.12 Record Keeping and Backup**

The Business Manager shall retain at PAPA's onsite business office, for PAPA's permanent records, all original hard copy records relating to financial matters. The Business Manager shall also retain at PAPA's onsite business office a current electronic copy of all PAPA's electronic financial and accounting records, which shall be created and managed by the Business Assistant under the Business Manager's supervision. The Business Manager shall develop a procedure, in coordination with the Business Assistant and the Finance Committee, to ensure that adequate backup systems (both hard copy and electronic format) exist for all PAPA's financial and accounting records.

#### **D.13 Albuquerque Public Schools policies and procedures as default**

In the absence of a specific financial policy or procedure adopted by the Governing Council to address financial and accounting requirements with respect to a particular subject, PAPA shall follow the corresponding policies and procedures adopted by Albuquerque Public Schools (APS), modified as appropriate to reflect that PAPA manages and controls its own financial and accounting matters (subject to applicable legal requirements). The Executive Director is responsible for seeing that such APS policies and procedures are followed in appropriate cases. In the event of any question about how such an APS policy or procedure should be implemented at PAPA, the Executive Director shall request that such matter be considered by the Finance Committee and/or Policy Committee and a specific PAPA policy or procedure adopted by the Governing Council.

#### **D.14 Student Activity Funds**

Student Activity Funds are used to account for those resources owned, operated and managed by the student body, under guidance of a staff member or another adult, for educational, recreational or cultural purposes. These funds are used for a wide range of activities that can include the school yearbook, the student athletics or various student clubs.

The appropriate fund classification for student activity funds is determined by their legal status. If resources accounted for in student activity funds are legally owned by students or student groups, these funds should be classified as Agency Funds.

However, if PAPA legally owns the resources accounted for in student activity funds, they should be accounted for in the General or Special Revenue Fund type.

#### Agency Funds

An Agency Fund is used to account for assets held for other funds, governments or individuals. Agency Funds are custodial in nature (i.e., assets equal liabilities) and do not involve measurement of operations. While PAPA provides a bookkeeping and accounting service for these funds, these functions are considered strictly fiduciary in nature. These monies are not considered public money for purposes of the Procurement Code, Governmental Gross Receipts and formal, budgetary integration. They are, however, subject to Governmental Gross Receipts Taxes in all other respects and to regulations adopted by the Governing Council.

PAPA is holding these funds in a fiduciary capacity. Therefore, the PAPA will be held responsible to safeguard the funds and demonstrate prudent judgment in accounting for and disbursing these funds.

Examples of such activity funds which would be designated as Agency Funds are:

1. Money collected for student fund raising activities whose expenditures are determined by the student/class sponsors (Theatre, Band, Orchestra, Fencing, French, Dance etc.).
2. Money collected as deposits which are subject to return in whole or in part (lab, technical equipment deposits etc.).
3. Money collected which will be transmitted to other governmental units, agencies and associations (NMSAA receipts etc.).
4. Money collected that will be transmitted to a budgeted account for loss or damage to school property, tuition, rent and fees.
5. Money collected for activities not supported by public monies for submission to vendors (class rings, school pictures, yearbooks).
6. Monies collected for other funds, governments or individuals (e.g. payroll clearing, COBRA insurance, taxes, etc.)

Regardless of the method used to finance school activities, PAPA is ultimately responsible for the funds, even though the actual control and operation of these funds are delegated to individual staff members.

Accurate records shall be kept of all monies collected and disbursed, in accordance with Section 6-10-2 NMSA. 1978 Compilation, as amended:

“Cash Books for Public Money; Daily Balance; Public Record” It shall be the duty of every public official or agency of this state who receives or disburses public monies, to keep in his office a cash book wherein shall be entered daily, in detail, all items of receipts and disbursements of public monies, and which shall be balanced daily so as to show the balance of public monies on hand at the close of each day's business; and such cash book shall be a public record and shall be open to public inspection.”

No activity fund account shall ever be permitted to incur a deficit. Financial records of student activity funds must be in accordance with generally accepted accounting principles and an adequate internal control structure established and maintained, as well as audit trails, in the same manner as the PAPA's regular funds. (Refer to PSAB Supplements 2, 3, 5 and 6).

The club sponsor or treasurer shall bring all monies collected and balanced to the receipts, to the Business Manager for deposit by the end of the day of collection.

Student activity funds shall never be used for any purpose which represents accommodating, loan or credit to any individual (Section 6-10-40 NMSA, 1978 Compilation.)

The following policies governing student activity expenditures apply, regardless of the method of making payment, whether by check or from a petty cash fund. Evidence supporting all expenditures must be kept on file and must be in the form of a signed receipt or invoice. Statements or cancelled checks do not completely meet this requirement; however, in certain circumstances, it may not be possible to obtain an invoice (e.g., telephone bills, etc.). In these instances, payment from a statement is acceptable; however, the club sponsor will be held responsible for verifying the validity of making such payments. The business office may develop a voucher or requisition system for disbursements.

#### General Fund Activity Accounts

Fund raising monies which are legally owned and under the discretionary control of school districts are considered public monies and are subject to all applicable laws and regulations relating to the Procurement Code, Governmental Gross Receipts, Charitable Contributions and formal budgetary integration.

PAPA is required to budget for activity revenue and for the corresponding activity expenditures. This budget shall project the anticipated revenue and expenditures for all activity funds required to be budgeted. Budgetary integration may be accomplished at the account and fund level. The total revenues and expenditures for these accounts shall be incorporated as part of the general fund for financial reporting purposes.

Examples of these funds are athletics, coke vending machines, concession and stores operated for general activity purposes.

#### Compliance Matters

Club Sponsors, and other organizations conducting fund raising, must notify the Business Manager of the organization's existence in order to place the organization on the schedule of activities ledger. Each

activity should show opening balance, beginning of the period, receipts, disbursements and end of period balances. The business office is responsible for:

- 1) Maintaining adequate collateral pledged for monies in Activity Funds.
- 2) Assisting club sponsors and treasurers in order to assure:
  - a. timely deposits within 24 hours or one banking day
  - b. appropriate approvals are obtained for disbursements
  - c. an internal control structure is in place to safeguard the assets and promote reliability of the activity financial reports
  - d. accurate bank or cash reconciliations are prepared timely
  - e. records are retained for review by business office and auditor

As with all other PAPA fund checks, activity fund checks should indicate "void six (6) months from date on the face of the check."

#### **D.15 STUDENT FUND RAISING ACTIVITIES**

##### Introduction

PAPA allows student fundraising activities aimed at improving the overall academic/arts environment for all students within the school. General cash receipts and disbursement policies will apply to all fundraising activities.

This policy is intended to:

- a. Provide administration, sponsors, parents, and students reasonable assurance that all student fundraising activities are properly accounted for;
- b. Ensure that the accounting system captures relevant and accurate data; and
- c. Ensure that all of PAPA's student fundraising activities are accounted for in a consistent and competent manner.

##### PAPA

- reserves the right to stop payment on all student fundraising activities in which the sponsor/vendor neglected to follow PAPA policy. In these cases, a contract exists solely between the vendor and sponsor.
- will not be liable for any unapproved student fundraising activities.
- will exclude vendors from any "Approved List" for non-compliance with PAPA policy.

- will transfer dormant account balances to PAPA's Activity Fund at year's end. If clubs/organizations are no longer active, balances in those accounts need to be transferred prior to the end of the fiscal year.
- will ensure that funds generated through student fundraising activities be spent on students only.

#### Sponsor's Responsibilities

It is the sponsor's responsibility to understand and ensure compliance with all PAPA policies and procedures. Failure to follow or lack of knowledge of procedures does not preclude sponsors from full responsibility and possible disciplinary action as a result of this failure or lack of knowledge. Failure to adhere to policies and procedures may adversely affect the school or organization's ability to continue having fundraising activities. All non-compliance issues will be presented to administration for corrective action.

Student fundraising activities and supporting documentation are subject to unannounced audit(s).

The sponsor is fiscally responsible for all facets of the student fundraising activity. He/she may be held liable for all unapproved student fundraising activities and for any shortages identified if PAPA policy has not been followed.

Sponsor's responsibilities include but may not be limited to:

- a. Planning the activity with club members/students;
- b. Selecting the vendor;
- c. Scheduling the activity with the Executive Director. Each and every student fundraising activity must be approved by the Executive Director. No 'blanket' approvals will be permitted. The granting of approval for any specific activity does not guarantee that approval will be given in the future for the same or a similar activity (example – operating a concession stand at Open House). The Executive Director may develop a system for assuring that competing clubs/organizations receive fair access to events.
- d. Securing the approval of the Executive Director prior to entering into any agreement with and/or receiving any product from a vendor. Failure to comply with PAPA policies and procedures will render the sponsor personally liable for the product delivered and/or the amount due.
- e. Maintaining the appropriate controls to ensure that all monies are collected on a timely basis and students are held accountable for outstanding product and amounts.
- f. Ensuring that data is available to prepare a perpetual inventory of all products including incentive products, funds received, a list of delinquent accounts and outstanding product.

g. Obtaining the Executive Director's approval for the disposal of all surplus/damaged products. The Executive Director and not the sponsor has the authority to give surplus products away.

h. Once a student fails to return product or pay for the product, then the sponsor should not issue any additional product (regardless of student's classification) until said student clears his/her record.

The sponsor must ensure that all receipts and disbursements are processed in accordance with PAPA policies and procedures. See below for the guidelines that govern these activities.

In general, product should be distributed after school or during a time when class is not unduly disrupted. Students are encouraged to sell the product to his/her immediate family or to known individuals. PAPA does not encourage activities that require and/or encourage students to sell "door to door."

The sponsor must immediately report all thefts to the Executive Director. The sponsor may be liable for not reporting losses in a timely manner. The sponsor should make a concerted effort to collect 100% of the total outstanding balance. Consistent losses, uncollectable balances, thefts, and/or unaccounted for balances will restrict a sponsor's ability to participate in future fundraising activities.

#### Activity Funds

There are two types of activity funds:

##### 1. Student Activity Funds:

- a. Generate revenue for the campus general fund;
- b. Are administered by the Executive Director;
- c. Are accounted for by the secretary of the Student Body or designee; and
- d. Generally can be taken by PAPA into its general fund.

Student Activity Funds are used to account for those resources owned, operated and managed by the student body, under guidance of a staff member or another adult, for educational, recreational or cultural purposes. These funds are used for a wide range of activities that can include the school yearbook or various student clubs. The appropriate fund classification for student activity funds is determined by their legal status. When resources accounted for in student activity funds or student groups legally own funds, these funds should be classified as Agency Funds or Student Activity Funds. However, if the school legally owns the resources accounted for in student activity funds, they should be accounted for in the General or Special Revenue Fund type.

##### 2. Student Fundraiser Activity Funds:

Student Fundraising Activities Must Be:

- a. Approved by the Executive Director for a specific purpose;
- b. Administered and accounted for by the sponsor;
- c. Processed by the Business Manager

A campus fundraising activity must consist of the following:

- a. An anticipated profit;
- b. Student involvement in the activity;
- c. Sponsorship by the school or a school organization.

#### APPLICATION FOR NEW STUDENT ACTIVITY ACCOUNT

If a new Student Activity Fund is required an Application for New Student Activity Account is filled out and forwarded to the Business Manager for new number.

#### STUDENT FUNDRAISING APPLICATION FORM

An application for all student fundraising activities generating over \$1000 in revenue AND/OR being conducted off-campus must be submitted to the Business Manager in order to allow time for Governing Council approval (no later than 15 days prior to a scheduled Governing Council meeting). The Governing Council considers these fundraisers at their monthly meetings.

#### CLOSING OF A FUNDRAISING PROJECT

All student fundraisers should be closed within sixty (60) days of the "Ending Sale Date" noted on the application. An activity is considered closed when:

- a. All collectable funds have been deposited;
- b. All disbursements have been made to vendors;

Exception: Bake sales, one-day food sales/dinners, dances, performances, concerts, car washes, a-thons, book fairs and similar activities not involving controllable merchandise must be recapped within five (5) working days after the activity is held.

- The sponsor is accountable/liable for safeguarding all items not sold. Future fundraising activities may be affected if the fundraising activity has not been properly closed.

#### RAFFLES. PROMS. PLAYS, CONCERTS., CONCESSIONS. ETC.

Raffles are allowed only through the completion of a fundraising application. Sponsors must use pre-numbered tickets and must be accounted for whenever monies are submitted on the Tally. The miscellaneous receipt number should indicate the number of tickets sold. The number of tickets sold multiplied by cost per ticket should equal the amount of funds deposited. The Executive Director should ensure that all raffles are conducted fairly.

#### CONCESSION STAND SALES

Vending machines are encouraged instead of concession stands due to the nature of collections and handling of the concession. However, if a concession stand is determined to be the most beneficial for the campus, the following must be in place:

- a. A Student Fundraising Application must be filled out at the beginning of the semester. This form must be submitted to the Business Manager for approval.
- b. The Executive Director or designee will perform a beginning of the semester inventory and submit a report indicating quantity, cost, and a brief description of the product with the application. Accuracy of the inventory report will be witnessed by at least two individuals.

Any large variances should be noted on a tally sheet. The tally sheet must be completed and the balance should agree with balances noted on the tapes. Once the deposit is reconciled, the deposit is submitted daily to the site Business Manager for deposit.
- f. A periodic review of the revenue and expenses should be conducted to ensure that the concession stand is making a profit.
- g. The Business Manager will also review the accounts on a periodic basis to ensure the profitability of the concession stand.
- h. The decision to continue the activity will be made on a semester basis.

#### CASH RECEIPTS

When collecting money from students, the sponsor should either issue a miscellaneous receipt or maintain a system of accountability of all monies received. Receipt books and Collection Logs are available from the Business Manager.

To maintain compliance with PSAB Supplement the sponsor must submit all cash to the Business Manager for deposit within 24 hours. The sponsor is liable for funds lost or stolen.

Remittances to the Business Manager must include:

- The miscellaneous receipts or Collection Log;
- The Tally Sheet;
- Cash register tapes.

The Business Manager must verify agreement between the total cash remitted and the amount indicated on the Collection Log. The Collection Log should be stapled to the Business Manager's copy of the office receipt.

The Business Manager will issue an office receipt to the sponsor for all monies remitted for deposit. The sponsor should remain in the office until the cash and log are reconciled and a receipt issued.

Cash receipts may not be borrowed, used to cash checks, used for purchases or used to issue cash refunds. Cash refunds must be issued via purchase requisition/check request.

#### RECAP GUIDELINES

- All monies collected shall be receipted and deposited within 24 hours. The "How Paid" section must be marked cash, check, or money order.
- No money shall be left on school premises over weekends, holidays, or summer breaks.
- Distribution of receipt copies will be determined by the Business Manager:
- A receipt may only be voided when all copies of the receipt are available. "Void" should be written across the receipt and the complete set kept in the receipt book. The receipt number should be referenced as a void on the Deposit Recap.
- Whenever the receipt book is completed it must be stored at PAPA for a period of at least seven years before being discarded.

#### DEPOSIT PROCEDURES

- A Deposit Recap shall be completed by the sponsor for each daily deposit and delivered to Business Manager immediately.
- Receipts, Bank Deposit Slip and Deposit Recap amounts must balance. The only exception would be a returned Insufficient Fund Check (NSF) when it is collected and re-deposited.
- When checks are returned for insufficient funds (NSF), the Business Manager will contact the issuing bank to determine if funds are now available for cashing. If so, redeposit immediately. If funds are not available, contact the party issuing the check to inform them that they may only collect the NSF by remitting cash payment. The NSF will serve as their receipt for this transaction. A "redeposit of NSF" notation should be made on the bank deposit copy. This notation should also be made on the Deposit Recap, in the description column.

#### CASH TRANSFERS

A Cash Transfer is utilized to request a transfer of monies within the same fund account in fund 98000.

#### DISBURSEMENTS

## CASH DISBURSEMENTS ARE PROHIBITED!

The required purchase order must be issued prior to ordering student fundraiser products. This should follow the normal procedure. A purchase order is not approved until signed by the Executive Director.

Vendors will be paid once sufficient funds have been generated and deposited by the activity to cover the cost. Payment cannot be processed without an original company invoice that provides unit description, unit cost, free product, other charges, credits, returns, etc.

If a problem occurs with a vendor, the Business Manager shall be contacted immediately. Payment will not be authorized to the vendor until all problems are resolved.

## FUNDRAISING PRIZES/DONATIONS

Vendors may award prizes to students participating in the fundraising activity. Vendors are not authorized to provide prizes or gifts to the Executive Director, to any other PAPA employee or to sponsors. A vendor may make a donation to the campus general fund. In such case, the donation must benefit the entire student population (as opposed to benefiting only those students who participated in the activity).

## OUTSIDE ORGANIZATIONS

Without prior express approval of the Governing Council with reference to each specific event, outside organizations conducting fundraising activities are PROHIBITED from:

- a. Conducting activities on PAPA property;
- b. Using PAPA's name;
- c. Advertising on PAPA property;
- d. Distributing or returning a product from PAPA;
- e. Conducting fundraising activities to benefit outside organizations on PAPA property.

PAPA requires that fundraising activities earn a profit. Sale of tickets, for any external organization, wherefrom PAPA does not directly earn any profit are prohibited without the prior express approval of the Governing Council with reference to each specific event.

## COLLECTION JARS

Penny drives/collection jars are permitted only when approved by the Executive Director.

## APPROVED VENDOR LIST

An approved vendor list is maintained by the Business Manager who must approve a new vendor.

## RESTRICTED FUNDRAISING ACTIVITIES

Student Fundraising activities, which include the sale of the following products or services, are restricted:

- Cosmetics
- Hygiene items
- Body care products
- Long distance telephone services
- Chemicals
- Scratch and donate cards
- Referral-type activities, and
- Programs that require the participants to solicit personal information from the community or family.

PAPA requires that fundraising activities earn a profit. Sale of tickets, for any external organization, wherefrom PAPA does not directly earn any profit are prohibited without the prior express approval of the Governing Council with reference to each specific event.

#### VENDOR PROMOTIONS

Vendor promotions (flyers, discounts, coupons) must be approved by the Executive Director prior to distribution.

#### RESTRICTED VENDORS

Sponsors are prohibited from buying products/services from PAPA employees unless they have been accepted as an approved vendor. Refer PAPA employee policies for employee conflict of interest provisions.

#### D.15 Internal Audit

PAPA Governing Council considers the internal audit function to be a critical ingredient in providing a comprehensive evaluation of the level of control in PAPA's operating and accounting systems.

The internal audit function will be independent from school administration in carrying out responsibilities outlined in this policy. The PAPA Finance Committee (members designated by the NMPED) acts as another layer of internal controls by reviewing PAPA financials on a monthly basis. The committee reviews all income and expenses as well as cancelled checks and any other financial documents requested by the committee and supplied by the business manager.

## **SECTION E SAFETY POLICY**

**(Approved by Governing Council on September 19, 2001 and amended 12/18/01, 06/27/02, 01/17/12) (Amended by the Governing Council 3/29/2016)**

### **E.1 STATEMENT OF SAFETY POLICY**

The PAPA policy is to take all practical steps to safeguard employees, students, and the public from accidents and to provide a safe, healthy work and educational environment.

### **E.2 COMPLIANCE WITH LAWS**

It is the intent of PAPA to adopt and implement applicable provisions of the APS School Safety Manual, with changes as are appropriate to PAPA. The manual discusses general procedures and includes sections that are designed to comply with specific laws and regulations. In addition, PAPA has implemented its own Safe Schools Plan that includes a Crisis Response Team. The Crisis Response Team also acts as the School Safety Team.

A variety of governmental regulations apply to safety and health. These laws are changed and modified periodically. Designated personnel will be responsible for monitoring these laws and assuring PAPA's facilities and operations come into compliance.

OSHA laws for particular hazards require periodic instruction. The Executive Director will schedule time for training, orientation and safety topics.

#### **E.2.1 SAFETY GUIDELINES FOR SCHOOL SITE**

- A) Drawing(s) clearly showing escape routes must be posted near the exit(s) of each room.
- B) Doors that are not exits, but may be mistaken for exits, must have a sign saying "Not a Fire Exit."
- C) The Executive Director or his/her designee is responsible for sounding the fire alarm. This procedure tests the alarm system also.
- D) Teachers, custodians and all other employees should have definite assigned responsibilities during a fire drill.
- E) Restrooms must be checked for stragglers.
- F) The last person to leave the room should close the door to the hall/room, if time allows.
- G) Employee(s) should be designated to turn off all fans, eliminate drafts and stand by to assist the Fire Department should there be a fire.
- H) The fire lanes must be clear and there must be access to the school.
- I) Students should exit in an orderly manner with the teacher following the class.
- J) Students should not carry clothing or books.

K) Teachers should carry class attendance records or enrollment cards outside. Attendance should be checked to be sure no one is missing. Missing students should be reported to the Executive Director or designee immediately.

L) Students should assemble at a safe distance from the building and wait for the "return to the building" signal. Classes should evacuate at least 50 feet from the building in designated areas.

M) The fire alarm must be unique in sound and audible in all parts of the buildings/facility.

N) Exit signs must be illuminated constantly.

O) Exit doors must open out and be equipped with panic hardware.

P) Doors should never be locked or blocked during school hours or during an assembly after school hours.

Q) PAPA shall prepare an individualized evacuation plan to address the needs of any disabled students. The Students with Disabilities Evacuation Plan should include the individualized plan for hearing impaired, wheelchair confined, or otherwise disabled students.

R) No students should be left in a building during a drill or actual emergency. Students should not be allowed to return to a building to retrieve possessions.

S) It is the Executive Director's duty to inspect all exit facilities in order to ensure that all stairways, doors and other exits are in proper condition.

T) Substitute teachers should be informed of fire drill methods at the time of work assignment.

U) The School Safety Team will conduct occasional fire drills with the lights out (Black-Out-Drills) in buildings containing rooms without exterior windows.

V) The Executive Director or designee must notify the appropriate emergency responder if an emergency requires evacuation. All fires should be reported to the Fire Department. If dismissal is necessary, refer to the Emergency Dismissal procedure (Procedure E.1-15).

W) The APS Fire and Disaster Emergency Plan is a working synopsis of laws and regulations. It also discusses various types of emergencies and response procedures which must be implemented at all schools, including PAPA. The PAPA Safety Team has adopted a site-specific plan, taking into consideration those elements of the APS Plan which are appropriate to PAPA.

### **E.2.2 SAFETY TEAM AND ACCOUNTABILITIES**

The School Safety Team shall be chosen by the school faculty in collaboration with the Executive Director at the beginning of each school year. Responsibilities and membership of the Team shall be detailed in the Safe Schools Plan. PAPA may expand the School Safety Team to include parents, local law enforcement and emergency response personnel and other interested persons. The responsibilities of the School Safety Team shall include:

-Development of a long-range health and safety plan consistent with applicable State Board of Education rules, regulations and standards, including recognized school safety and OSHA directives.

-Assignment of authority and responsibility to employees who are the key individuals in the success of the safety program.

-Outlining the responsibilities of employees and students in the accident prevention scheme.

-Assignment of authority and responsibility to employees for safety training. All employees and students should be trained in all aspects of safety procedures and policies of PAPA, and should be trained to perform their duties in the safest and most efficient manner.

-Preparation of emergency response plans for emergencies such as Fire, Chemical Spill, Injury, Bomb Threat or Threat of Violence. The School Safety Team shall involve local emergency response agencies in such contingency planning.

-Development of the Safe Schools Plan, which shall include more detailed, site specific procedures for addressing general policies and procedures reflected in the Governing Council's policies and procedures.

### **E.2.3 FIRE PREVENTION PLAN**

#### **A. Frequency of Fire Drills**

1. There will be one (1) drill per week during the first month of school and one (1) per month for the following months. Drills will be varied throughout the day and should include before and after school periods.

2. An obstructed drill should be conducted every six (6) months. One or more exits are blocked prior to the drill. Students should not know in advance that an obstructed drill will occur.

3. There should be at least one (1) drill during each year when students are in the cafeterias or in the hallways during changes of classes. If the school contains an auditorium, there should be a fire drill during the use of that facility.

#### **B. Fire Drill Records**

1. Document completion of all fire drills including date, time, rooms evacuated and time from initiation of drill to verification of building evacuation. The most recent three years of fire drill records should be maintained on site for review and older records permanently archived.

2. Any fire safety equipment found to be inoperable during fire drills must be documented and repaired immediately.

#### **C. Fire Marshal Inspection**

The laws governing each jurisdiction apply to the specific location. The 1991 Life Safety Code and the Uniform Fire Code are the current reference for all jurisdictions. The inspectors will report to the

Executive Director's office, and the Executive Director or the designee will conduct the inspection around the campus.

If violations are found at the school, the Executive Director or designee will sign a violation form. A copy of the report will be available as required. After the time allowed by the inspector, the campus is subject to a re-inspection to determine if the situation has been corrected.

#### **E.2.4 OSHA INJURY REPORTS AND RECORD KEEPING**

OSHA standard 29 CFR 1904 requires an employer to keep and maintain records of accidents. Record keeping may also assist in determining high-risk areas and the effectiveness of the accident prevention program. This duty must be assigned to a knowledgeable person before the start of operations.

#### **E.2.5 ON-THE-JOB EMPLOYEE INJURIES**

##### **A. General Reporting Requirements**

The employee chosen to perform OSHA record keeping will complete the First Report of Accident form (NM WCA FORM E1.2) required by the Labor and Industrial Commission of New Mexico as soon as possible after the accident. By state law, an employee must declare the job-related injury within 15 calendar days of the injury, or knowledge of the injury, in order to receive compensation benefits. If these procedures are not followed, the claim for benefits may be denied. Employees are encouraged to use the Notice of Injury form to report the injury (or suspected injury) in order to protect their rights. An employee may use the form if he/she has a strain or non-traumatic injury that they feel may worsen. PAPA will keep these forms in a centralized location.

##### **B. Procedures for Handling Employee Injuries Requiring Emergency Medical Attention**

1. Those not injured should:
  - Render first aid.
  - Call 911 if necessary.
2. If you are injured and able to drive yourself or be driven by another employee:
  - Go to the nearest emergency room.
  - Advise the caregiver that you are an employee with a work-related injury.
3. Under all circumstances, notify the PAPA office and Executive Director as soon as possible after receiving care to get the Workers' Compensation paperwork started.

##### **C. For Non-Emergency Injuries:**

1. Report injury to the Executive Director or designee and fill out Notice of Accident form.
2. Depending upon the nature of your injuries, you may be advised to seek medical treatment. PAPA may direct that you use a particular doctor for non-emergency care for the first 60 days of care (following emergency care), so check with the Executive Director or designee before seeking non-emergency medical care.

3. At the clinic, advise the caregiver that you are an employee with a work-related injury.
4. Notify PAPA staff as soon as possible after receiving care to get Worker' Compensation paperwork started

#### **D. Worker's Compensation for On the Job Injuries.**

##### **1. General Information:**

PAPA's worker's compensation insurance will pay authorized medical expenses that result from a work-related injury, provided that the employee obtains services from the doctor or other medical care provider(s) authorized by PAPA and/or its workers' compensation insurer to provide medical care for job-related injuries or illnesses.

If an employee loses more than seven working days, the employee is entitled to receive up to two-thirds of his or her regular pay up to a maximum determined by the New Mexico Department of Labor. This is called indemnity pay. The employee will start receiving indemnity pay within 14 days of the E1.2 form being filed (not necessarily the injury), which form is filled out by the PAPA office. If hospitalized, the employee may make an appropriate report by telephone to the PAPA office. The first seven calendar days lost are not compensated (under New Mexico Workers Compensation laws), unless the employee is disabled for more than four weeks from the date of the injury. The employee may use accrued sick leave (or Short Term Disability, if applicable) to make up the difference between indemnity pay and regular pay.

##### **2. Notification process:**

The employee must notify the Executive Director in writing within 15 days or the employee may lose Workers' Compensation benefits. The employee must fill out a Notice of Accident form, have his or her supervisor sign it, turn the original in to the PAPA office, and keep a copy. The Executive Director or designee has copies of the Notice of Accident form available for employees. If the employee later needs medical attention for this accident, the employee will be covered under Workers' Compensation for up to 12 months as long as the employee notified the Executive Director in writing within 15 days of the accident.

##### **3. Non-compensable Injuries**

Injuries due to intoxication, willfulness or intention of the worker are non-compensable under worker's compensation laws.

##### **4. False Claims**

Any employee who knowingly files a false claim can be criminally prosecuted.

#### **E.2.6 STUDENT EMERGENCY MEDICAL CARE**

##### **A. Assessment of Need and Notice to Parents.**

In the event of student injury or illness, priority must be given to the immediate care of the student, and the following actions will be taken (these actions also apply to suspected drug or alcohol overdose):

1. The school nurse (or designated first aid provider) if available, should evaluate the student's condition and provide first aid as necessary.
2. If the school nurse (or designated first aid provider) is not available, the health assistant or person designated by the Executive Director will provide first aid. First aid guidelines in the New Mexico School Health Manual will be followed by PAPA.
3. Every attempt should be made to notify the parents or guardian. PAPA shall keep the Student Emergency Information forms on file at the main PAPA office. If the parent/guardian cannot be contacted and the Executive Director believes the student can be released, a note will be sent with the student notifying the parent/guardian of the injury/illness and the aid provided. Staff must document all care, calls and parental contacts associated with student medical care.

#### **B. Medical Emergency Care and Procedures.**

In any situation requiring medical care beyond minor first aid:

1. Telephone 911 for Emergency Medical Service or paramedics, for such conditions as profuse bleeding, cessation or obstruction of breathing, deep shock, head injury with deep unconsciousness, electric shock, and heart attack or any other life threatening condition.
2. Parents are responsible for ambulance and emergency room fees.
3. Students can be transported by car if the medical condition is not life threatening, yet beyond simple first aid treatment. The vehicle owner must carry insurance in compliance with New Mexico state law.
4. Any emergency requiring medical care emergency services, or resulting from an accident, should be reported to the Executive Director and PAPA office on the Student Accident Report form. The report should be submitted in the event a medical referral is necessary or there are unusual circumstances surrounding the incident.
5. The Student Accident Report form should be submitted to the PAPA office, and a copy placed in the student's cumulative record. If applicable, a copy of the Student Accident Report should be attached to the Major Incident Report form and distributed to any required APS and/or State Department of Education offices.
6. A student requiring additional medical care should not be sent home until a parent or guardian has been contacted and the student can be personally supervised by a responsible adult.
7. Staff must document all care, calls and parental contacts associated with student medical care.
8. It is the responsibility of the Executive Director to collect and analyze the data from student accident reports so that safety hazards can be identified and corrected.

#### **E.2.7 EMERGENCY HAZARD REPORTING**

Examples of emergency situations include gas leaks, fires, structural failure, blocked plumbing, loss of electrical power, broken glass in doors and windows or any other situation that presents immediate danger to persons, has the potential for appreciable financial loss or otherwise seriously hampers the educational program. In the event of a hazard that threatens the well-being of staff, students or visitors, the Executive Director or designee shall take the following actions:

A. When there is a situation that requires immediate response to protect the safety of staff, students, or visitors the Executive Director or designee will call the emergency response phone number: 911.

B. Indicate if the situation has caused an injury, an accident, or has the potential to cause a serious injury.

C. The Executive Director or designee should take preventive action to minimize danger. The Executive Director or designee should warn the staff and students of the hazard and may have to set up special supervision until it can be corrected. Rooms may have to be closed or barricades placed around a dangerous area.

D. The Executive Director should monitor accident reports at the school location to determine if uncontrolled situations are leading to accidents. The Executive Director might use the School Safety Team to identify potential hazards.

## **E.2.8 LABORATORY SAFETY REQUIREMENTS**

### **THE FOLLOWING SECTION ONLY APPLICABLE IF SCHOOL HAS SCIENCE LABS CONTAINING HAZARDOUS CHEMICALS**

School laboratories containing any quantity of hazardous chemicals must comply with OSHA standard 1910.1450 "Occupational Exposure to Hazardous Chemicals in Laboratories."

#### **A. Scope and Application of the Standard**

The OSHA standard does not apply to uses of hazardous chemicals which do not meet the definition of laboratory use, and in such cases, PAPA must comply with the relevant standard even though use occurs in a laboratory. The OSHA standard does not apply for laboratory use of hazardous chemicals that provide no potential for employee exposure such as procedures using chemically impregnated test media and commercially prepared test kits.

#### **B. Employee Exposure Determination**

PAPA must measure the employee's exposure periodically to any substance regulated by a standard which requires monitoring if there is reason to believe that exposure levels for that substance routinely exceed the action level (or in the absence of an action level, the OSHA "permissible exposure level"). PAPA must notify the employee of the results within 15 working days after receipt of the monitoring results.

#### **C. Chemical Hygiene Plan**

Where hazardous chemicals are used in a laboratory covered by this standard, PAPA must develop and carry out the provisions of a written Chemical Hygiene Plan (CHP). The CHP must include the necessary

work practices, procedures and policies to ensure that employees and students are protected from all potentially hazardous chemicals in use in their work area.

The plan must be available to employees, to employee representatives, and to the Assistant Secretary for Occupational Safety and Health.

#### **D. Employee and Student Training and Information**

PAPA must provide employees and students with information and training to ensure that they are aware of the hazards of the chemicals present in their work area. This information must be provided at the time of an employee's or student's initial assignment to a work area where hazardous chemicals are present and prior to assignments involving new exposure situations.

1. Employees and students must be informed of:

- the contents of this standard and its appendices must be made available to them;
- the location and availability of PAPA's Chemical Hygiene Plan;
- the permissible exposure limits for OSHA
- signs and symptoms associated with exposures to hazardous chemicals used in the laboratory;
- and
- the location and availability of known reference material on the hazards, safe handling, storage and disposal of hazardous chemicals found in the laboratory including, but not limited to Material Safety Data Sheets (MSDS) received from chemical suppliers.

2. Employee training must include:

- methods and observations that may be used to detect the presence or release of a hazardous chemical;
- the physical and health hazards of chemicals in the work area;
- the measures they can take to protect themselves from these hazards, including specific procedures PAPA has implemented to protect employees from exposure to hazardous chemicals, such as appropriate work practices, emergency procedures and personal protective equipment to be used; and the applicable details of PAPA's written Chemical Hygiene Plan.

#### **E. Medical Consultation and Examinations**

All employees who work with hazardous chemicals must be given the opportunity to receive medical attention, including any follow-up examinations that the examining licensed physician determines to be necessary. Under certain circumstances, medical examinations and consultants must be provided without cost to the employee, without loss of pay and at a reasonable time and place. PAPA must provide certain information to the physician, including the identity of the hazardous chemicals, a description of the conditions under which the exposure occurred, and a description of the signs and symptoms of exposure that the employee is experiencing.

#### **F. Hazard Labeling**

Labels on incoming containers of hazardous chemicals must not be removed or defaced.

MSDS' on incoming hazardous chemicals must be retained and made available to lab employees.

## **G. Respirator Use**

Where the use of respirators is necessary to maintain exposure below permissible exposure limits, PAPA must provide, at no cost to the employee, the proper respirator equipment.

## **H. Record Keeping**

PAPA must establish and maintain for each employee an accurate record of any measurements taken to monitor employee exposure and any medical consultation and examination including tests or written opinions.

### **E.2.9 ACCIDENT ANALYSIS**

The PAPA Safe Schools Plan shall contain accident investigation procedures so that every accident may be investigated promptly and efficiently so that the cause may be determined.

### **E.2.10 INSPECTIONS**

The PAPA Safe Schools Plan shall state who is responsible for self-inspections in each building, what to look for, methods of evaluation and frequency of inspections.

### **E.2.11 HAZARD IDENTIFICATION**

The PAPA Safe Schools Plan will provide the Executive Director with a tool for continuous monitoring and early detection of hazards.

### **E.2.12 HAZARDOUS MATERIALS**

Employees are required to receive instruction about chemicals that they may use. New employees receive orientation. The Material Safety Data Sheets for chemicals used on site should be filed and maintained by a competent person assigned to that task. MSDS' must be available to employees, police and medical care providers on an as-needed basis.

PAPA should not have chemicals in sufficient quantity or toxicity that would endanger students. Schools also should have spill kits located in science laboratories and workrooms to handle problems locally.

PAPA should contact a licensed disposal company to dispose of science laboratory, photo laboratory and auto shop chemicals. The Executive Director or designee should contact a licensed recycler to dispose of waste oil.

The Science Safety Manual should be used as the standard for chemical use and handling in science laboratories.

APS Risk Management gathers, stores and inventories hazardous waste. Risk Management completes EPA required paper work, arranges for disposal, and pays to have chemicals disposed. Current EPA fines are \$20,000 a day for willful violations. All APS departments, schools and Facilities Planning and Operations Departments must contact Risk Management for proper disposal of hazardous waste. PAPA should utilize this option for waste disposal, if possible.

The Executive Director shall determine the most expeditious and cost-effective plan for addressing potential chemical or other hazardous material problems at PAPA. This may involve working with the APS Safety office (842-3767) and/or other local government agencies or commercial service providers. Any chemical exposure that may endanger or may have endangered the health and safety of any staff member, student, or visitor should be reported to the Executive Director or designee, who will take appropriate action.

Affected staff members will be referred to an Emergency Medical Clinic (as designated by the Executive Director and consistent with PAPA's insurance program) for evaluation.

Individuals complaining of headache, nausea, eye irritation, dizziness, burning, etc. should be referred for first aid and/or medical care as appropriate. All "tight building", "sick building syndrome," and similar air quality complaints should be referred to the Executive Director, who will take appropriate action.

### **E.2.13 PESTICIDE USE**

#### **A. General Requirements Regarding Use**

PAPA shall comply with applicable State Board of Education regulations (set forth at 6.30.2.10E(4), NMAC). Without limiting the generality of the foregoing, no pesticide or pest control device may be used on school property except those pesticides and devices currently registered for legal use in the state by the New Mexico Department of Agriculture, and all applications administered must be applied by certified and licensed personnel. Pesticides (excluding outdoor herbicides) will only be applied on or on the outside of school buildings when a pest is present and will not be applied on a regular or "calendar" basis unless it is to treat an infestation and is part of a pest management system being implemented to address a particular target pest. Pesticides that are applied in a liquid, aerosolized, or gaseous form will not be applied on public school property when students, staff, or visitors are present or may reasonably be expected to be present within 6 hours of the application, except in emergency cases, in which event school occupants will be removed from the treatment area prior to the application. Immediately following the application of a pesticide in emergency cases, signs will be posted indicating an application was made.

#### **B. Notice to Parents**

At the beginning of each year, and when new students register, PAPA will develop a list of parents and guardians who wish to be notified prior to pesticide application during the school year. These parents/guardians will be notified in writing prior to pesticide application.

General notification of anticipated pesticide applications will occur by posting or dissemination of notices or oral communication or other means of communication. No pre-notification is required in emergency cases.

#### **C. Record Keeping**

Written records of pesticide applications will be kept for three (3) years at each PAPA site and be available upon request to parents, guardians, students, teachers, and staff.

## **E.2.14 PAPA VIOLENCE PREVENTION PLAN**

### **A. Violence Prevention and Security**

#### **1. Background Checks**

As required by law, all parties who will have unsupervised access to students shall have a full background check.

#### **2. Building Access by Employees**

PAPA buildings will customarily be opened, closed and secured only by the Executive Director, assigned custodian or another PAPA employee specifically designated to perform those functions. The Executive Director may allow other employees to apply for access privileges and building keys under certain circumstances that are beneficial to PAPA and/or the operation of the building in question. Any employee granted access privileges is required to enforce and abide by all PAPA policies and procedures regarding the use of the building and any equipment therein. The Executive Director shall be responsible for establishing a procedure to keep accurate records of all persons to whom keys are issued and/or alarm codes are distributed, and to address the steps to be taken when a key is lost or stolen.

#### **3. Executive Director Designation of Access Privileges**

At the beginning of each academic year the Executive Director will prepare a written roster of any employee who is authorized access to that building site while the building is locked but during normal access hours. The Executive Director may amend this roster as circumstance demands during the academic year. The Executive Director must post the roster in a conspicuous place.

#### **4. Normal Access Hours and Building Lock-Down**

Normal access hours for PAPA facilities are defined as 5:00 a.m. to 11:30 p.m. seven days per week. Certain facilities may have special hours of access different than those listed, which will be explained to any affected employee assigned to such locations. The Executive Director will determine the building lock-down hours, which are likely to be different than the normal access hours defined above. Building lock-down hours may be stricter, but not more lenient than the defined normal access hours. Employees must follow call-in and sign-in procedures whenever the building is locked, regardless of whether other employees are in the building.

PAPA employees may not enter PAPA buildings outside of normal access hours, regardless of whether they hold keys for that building, without specific written permission from the Executive Director. Written permission must be carried on the employee's person while accessing any building outside normal hours. In the case of maintenance or construction contractors, the job supervisor from PAPA will sign any special permission forms to enter the building.

#### **5. Exceptions**

The only exceptions to this procedural directive will be school security performing normal security checks or alarm response, PAPA employees responding to emergency call-outs and the Executive Director.

## **6. Call-In and Sign-In Procedures**

An employee who is entering a building during access hours but after the building has been locked, or an employee with afterhours access permission, **MUST** follow the call-in/sign-in and sign-out procedure developed by the Executive Director. Such procedures shall be prominently posted for the information of staff.

## **7. Sanctions**

The Executive Director may remove key holding privileges from any employee who violates this procedure. The Executive Director may take the building keys from any employee found in the building in violation of this procedural directive. An employee who abuses building access privileges or who repeatedly violates this procedure may be subject to other disciplinary actions as outlined in human resources policy. Unauthorized persons, including employees, found in buildings after access hours may be subject to arrest.

### **B. Releasing A Student From School To Someone Other Than A Parent/Guardian**

Adherence to the following procedures will greatly minimize the chance of kidnapping, molestation, or release of a student to unauthorized persons. It is the responsibility of the Executive Director to acquaint the staff with the provisions of this procedure.

Before releasing a student during the school day to anyone except his/her parent or guardian, obtain permission from the parent or guardian by telephone if the person is not on the approved release form.

When a parent or guardian telephones a request that a student be released early from school, the person taking the call must confirm the identity of the caller. They can do this by both hanging up and calling the person back and/or by asking the student to confirm the voice as being that of the parent or guardian or a person authorized to have custody of the student. In the event the telephone call is not being made from the student's home, question the caller in order to obtain information such as the student's date of birth, his/her course offerings, or names of teachers and classmates, all of which should be known by an authorized parent or guardian.

In custody disputes, court orders are frequently presented as proof of guardianship. Be cautioned that the document presented may have been superseded by a more current court order or, as in the case of out of state documents, may not be valid within this jurisdiction.

The Executive Director or his/her designee should be satisfied that the release of the student has the approval of at least one parent or guardian. If there is any doubt, do not release the student.

### **C. Staff Personal Security and Safety**

A staff member may use reasonable physical force to restrain or remove a person when it is essential for self-defense or for the protection of the individual, other persons or property, or if the person is unreasonably defiant or dangerous.

### **D. Workplace Violence / Sexual Harassment Issues**

PAPA affords employees a working environment free from intimidation, threats or violent acts of other employees. This includes, but is not limited to: intimidation, threatening or hostile behaviors, physical abuse, vandalism, criminal damage, use of weapons, carrying weapons on to PAPA property, or any other action which puts an employee in fear of bodily harm or property damage. Employees who feel subjected to any of these behaviors should immediately contact their supervisor or the Executive Director.

## **E. Guidelines for Police Involvement**

### **1. Conditions to Report to Local Police**

The Executive Director or his or her designee shall report the following conditions to the local police office:

- Actual or suspected criminal activity, i.e. burglary, vandalism, assault, drugs, thefts, disorderly conduct, etc.
- Actual or suspected employee criminal misconduct.
- Threat of bodily harm to any student or employee of PAPA.
- Other campus disorders or outsiders creating problems.
- Parent/teacher problems interfering with the normal operation of the school.
- Use or distribution of suspected drugs, alcohol or weapons.
- If appropriate, students who are reported missing during school hours.

In an emergency, the Executive Director or other designated employee shall call 911.

### **2. Criminal Trespass**

Any student who has been suspended and told to stay off campus, but does not do so, may be in violation of City of Albuquerque ordinances and/or state statutes pertaining to criminal trespass. If a student persists, call the police and ask for assistance with this problem. The Executive Director or designee should also contact the local police in the event of problems with outsiders.

### **3. Reporting Lost, Stolen or Missing PAPA Property**

Information on stolen property must be forwarded to law enforcement agencies immediately to enhance the possibility of recovering the stolen property.

### **4. Unauthorized Persons on School Property**

The school staff should be alerted to challenge suspicious persons who loiter in and around the school building. If there is no logical explanation for their presence, notify the local police office or contract security provider immediately, and provide the following information, if obtainable:

- A description and identity of such unauthorized persons.
- Mode of travel

When it appears that someone is using or occupying school property contrary to its intended use, the Executive Director or his/her designee will:

- Determine the nature of the business;

- Inform the person that he/she is interfering with the educational process and ask the person to leave;
- Call the police if he/she refuses to leave.

### **E.3 EMERGENCY DISMISSAL PLAN**

Utility failures, fires, weather conditions and chemical spills are examples of situations which may necessitate early school dismissal. In the event that such an emergency should occur, the Executive Director or designee is responsible for taking actions outlined below. The Executive Director or designee's response to an emergency should be based on known facts and experience.

The Executive Director and Crisis Response Team should be familiar with the Safe Schools Plan which outlines evacuation procedures, protect in place procedures, securing emergency help, and response procedure for specific emergencies.

The Executive Director or designee shall contact appropriate repair personnel to repair the school problem.

The Executive Director or designee, after consulting with authorities, police and fire services, will make the decision whether or not school will be dismissed. The Executive Director or designee will also notify, as appropriate, other emergency personnel regarding the situation. The Executive Director or designee will notify the media of an early dismissal due to an emergency.

The Executive Director and staff will make a concerted effort to notify parents by phone of an early dismissal.

If the emergency situation cannot be resolved promptly, the Executive Director, will determine if school can be opened the following day. The media, staff, and parents should be notified of the decision.

In the event of an emergency or disaster, the Executive Director or designee has the authority to ask staff to help with the situation. The Executive Director or designee can arrange to have staff care for children, make phone calls, provide first aid, or other procedures necessary to protect students, public, and co-workers.

### **E.4 PAPA FOLLOWS APS IN INCLEMENT WEATHER**

The APS web site and local radio and television stations post APS delays and school closings. PAPA will close if APS closes all APS schools.

PAPA will close if APS delays all schools openings. However, if APS only closes or delays East Mountain Schools, PAPA will be on a normal class schedule.

### **E.5 WEATHER-RELATED CLOSURE IN OUTLYING DISTRICTS**

Due to the fact that many of our students travel to PAPA from school districts outside of APS, weather-related late arrival, early dismissal, or absence will be excused according to the following policy. When districts outside of APS announce weather-related schedule changes, parents of students living in those outlying districts will be allowed to decide at their own discretion when or if it is safe to transport their

children to PAPA. In the event that a student living in one of these outlying districts is late, absent, or needs to leave school early due to weather-related schedule changes, PAPA will excuse the absence, late arrival, or early dismissal of that student provided that the parent or guardian calls the office to inform the staff of their district's weather-related schedule change.

#### **E.6 MAKE-UP OF TIME MISSED DUE TO EMERGENCY**

If PAPA is closed, or follows a reduced schedule, due to inclement weather or other emergency situation, the Governing Council shall determine whether and when such lost time shall be made up.

## **SECTION F FACILITY USE POLICY**

(Adopted by Governing Council on August 16, 2001, amended 06-27-02, 08-22-02)

(Amended by the Governing Council 3/29/2016)

1.2 The Executive Director shall determine the actual rental to be charged in each case and may, in addition to rental, include reimbursement for utilities, custodial costs and other costs directly related to use.

1.3 Non-political, non-sectarian, and non-commercial activities may be granted use of school facilities free of charge, at the discretion of the Executive Director. The Executive Director may allow use of school facilities free of charge or at a reduced rate to applicants who commit to providing services or fund-raising opportunities to the school (examples, offering master classes to performing arts students, fund-raising concert).

A group in Category 3 must be qualified as a non-profit group with 501(C) status from the IRS, their activities at PAPA must be educational or recreational in nature, and must directly serve school-age children (which may include PAPA students and/or non-PAPA students).

2.4 Category 4: Non-Profit Groups Whose Activities Do Not Directly Serve School-Age Children: This category includes non-profit organizations, with 501(c) status from the IRS, whose activities at PAPA do not directly serve school-age children.

2.5 Category 5: Commercial (for profit) Arts-Related Individuals and Groups: This category includes for profit arts-related individuals and groups, (examples, arts teachers, dramatic groups), whose purpose is direct or indirect financial gain and whose use of school facilities will result in their direct or indirect financial gain.

- 2.5.1 Category 5a: This sub-category refers to those commercial (for profit) individuals and groups whose request is for occasional use of the facility.
- 2.5.2 Category 5b: This sub-category refers to those commercial (for profit) individuals and groups proposing to use the facilities at least twice a week or more for the duration of the school calendar year.

### **F.3 Denial of Use**

- 3.1 Permission to use PAPA facilities will not be authorized in the case of individuals or groups whose use of the facilities, in the judgment of the Executive Director, is inappropriate at the location.
- 3.2 PAPA reserves the right to deny the use of school facilities to any individual or group without having to furnish reasons therefor.

### **F.4 Initiating a Request for Use of a School Facility**

- 4.1 The representative of the requesting group should contact the Business Manager regarding proposed usage. The Business Manager will, in consultation with the Executive Director, determine the most appropriate Priority of Use category for the applicant.
- 4.2 Use of facilities should be requested at least ten days in advance of the proposed use. Agreements for facility use will not be made during one school year for the following year.

- 4.4 All applicants, (profit and non-profit), must also provide proof of public liability insurance,
  - 4.4.1 identifying the PAPA site as a covered location,

  - 4.4.4 covering any employees or representatives of PAPA who will be conducting or assisting in or participating in the individual's or group's activities in PAPA's facilities in an official capacity.

### **F.5 Approval for Use of School Facilities**

- 5.1 The Business Manager will determine the availability of the requested facility based on previous commitment, priority, and propriety of proposed use.
- 5.2 After receiving the completed Rental Agreement Form and required documentation from the applicant, the Business Manager will forward the form to the Executive Director for approval. The signature of the Business Manager indicates a recommendation for approval, although the form may be submitted without a signature.
- 5.3 Approval and notification is the responsibility of the Executive Director and will occur within a reasonable time after receipt of the Rental Agreement Form. The rental agreement is not binding until it has been approved by the Executive Director. In unusual circumstances, (example, in the absence of the Executive Director) the Executive Committee of the Governing Council may be consulted and may approve a rental agreement.

5.4 Once the Rental Agreement Form has been completed and signed by the Executive Director and the applicant, a copy is given to the applicant and the original retained by PAPA.

## **F.6 Mandatory Provisions**

6.1 All applicants will:

6.1.1 agree to the provision that PAPA is not liable for injury to participants or to participants' property or for property loss that results from their participation in the activities;

6.2.2 in such event, PAPA shall refund the rental or portion thereof relating to the cancelled time but shall incur no further obligation whatsoever in respect of the cancellation.

6.3 Projectors, special stage lighting, and other types of sensitive equipment will not be used unless operated by qualified PAPA personnel.

6.4 Smoking and alcohol is prohibited in all PAPA facilities and on all PAPA property.

## **F.7 Other Provisions**

7.1 Restrictions on proposed facility use, to ensure adequate protection of facilities, may be included in writing as part of the Rental Agreement Form and may include use of protective coverings on dance floors, security provisions, hours of use and others. The Executive Director may also request proof of current CPR certification for instructors if he or she deems it appropriate to the activity.

7.2 The Executive Director may also require approval of all proposed advertising that includes mention of the PAPA facility in question.

## **F.8 Deposits**

8.1 A rental deposit shall be required from all groups in Categories 3-5 at the time the completed Rental Agreement Form is submitted to the Business Manager in instances where the total amount of the rental fee exceeds \$200, and may be required at the discretion of the Executive Director if the total fee is less than \$200.

8.2 The rental deposit for applicants in Categories 3-5, when required, shall be fifty percent (50%) of the total rental or 50% of the first month's rent, whichever is less.

8.3 The Executive Director may also require an applicant to make a cleaning/damage deposit if he or she deems it appropriate under the circumstances. Such cleaning/damage deposit, less any amount held

to cover repairs or cleaning required as a result of the applicant's usage, shall be refunded within 10 (ten) days following termination of the rental agreement.

8.4 Deposits (rental and damage), will be accepted as checks or money orders only, made payable to PAPA. No cash will be accepted. If the request is denied, the deposit will be returned to the Business Manager who will return it to the applicant.

#### **F.9 Billing and Collecting**

9.1 The rental shall be received by PAPA in full and in advance not less than 5 (five) days prior to use. Payment for individuals or groups who have an on-going facility use agreement is due in advance on the 25th of each month for the following month's facility use.

9.2 Individuals or groups with past due accounts will not be allowed to rent school facilities until all past due accounts are current.

9.3 If special services are required, such as setting up tables and chairs or setting up projectors and other sensitive equipment, there will be additional charges. Charges for these special services will be billed to the user unless they are specifically included in the Rental Agreement.

9.4 Abnormal wear and tear on the facility used may require an additional charge to the user to restore the facility to its normal condition. Extraordinary cleaning required as a result of the use by renters in Categories 3 –5 may result in additional charges.

#### **F.10 Safeguarding School Property**

10.1 The user of the facility is responsible for reasonable care of the facility and for proper conduct of all persons associated with it. The user will be billed for any damage resulting from improper or careless use of the facility.

10.2 The Executive Director or designee will be present during proposed use to open the facility, safeguard it during use, and to secure the facility at the end of its use.

## **SECTION H STUDENT CONDUCT**

(Adopted by Governing Council on August 9, 2001 and amended August 30, 2001, November 1, 2001 and February 7, 2002))

(Amended by Governing Council on 06/20/11)

(Amended by the Governing Council 3/29/2016)

(Amended by the Governing Council 7/26/2016)

### **H.1 STUDENT DISCIPLINE POLICY**

H.1.1. PAPA seeks to develop and maintain a safe and respectful learning community, fostering personal integrity, responsibility, creativity, productivity and academic excellence. The staff at PAPA strives to uphold highest levels of positive behavior. Our goal is to have all students and staff exhibit respect for each other in all aspects of the education process including behavior, dress, and communication.

H.1.2. PAPA administration will implement open, fair and just procedures for student discipline. PAPA will seek to involve students in learning and developing mechanisms for taking responsibility for actions, displaying respectful behavior and developing skills in dispute resolution. The goal of the discipline process is to change students' negative behaviors. Therefore, investigation, communication, and/or parent involvement will be used to evaluate misbehavior and assign consequences.

H.1.3. Each teacher has a set of classroom rules and policies that will be reviewed at the beginning of the year with their students. When a student fails to follow the rules set forth by his/her teacher, it becomes a distraction to the teacher and to the class as a whole and disrupts the education process. Failure to follow classroom rules and regulations will be treated as insubordination and will result in disciplinary action.

H.1.4. Student and school property shall be subject to search by certified school personnel, when there is reasonable cause or suspicion that a breach of rules or a crime is occurring or has occurred or the search is necessary to maintain school discipline or for safety. School property, as well as student vehicles on campus may be searched with or without students present. Physical searches must be by persons of the same sex and must not be excessively intrusive in light of the student's age, sex and the nature of the infraction. Illegal items or legal items that may threaten safety or disrupt or interfere with the educational process may be seized. Seized items may be released to appropriate authorities or a student's parent or returned to the student when and if the Executive Director deems appropriate.

H.1.5. Minor disciplinary situations involving classroom misbehavior will be handled by individual teachers who may determine reasonable consequences and the necessity of parental involvement. When a teacher's attempts to resolve behavior issues are not effective, students may be referred to the Executive Director for further intervention.

H.1.6 Any staff member may refer a student to the Executive Director for discipline. The Executive Director or designee will evaluate the situation and assign consequences accordingly. Each situation will be evaluated for cause and severity, while considering past behavior. Repetitive misbehavior may result in the student being put on a behavior contract and/or long-term suspension or expulsion.

## H.2. REGULATIONS

Violations of the following regulations or of any other PAPA policy may result in the full range of disciplinary measures up to and including expulsion. These regulations apply to students both on campus as well as while participating in off-campus school-sponsored activities. Violations of the local, state or federal law, even if committed off campus, may result in disciplinary action at the school. Likewise, disciplinary action by the school shall not preclude reporting of the incident to the police or local or other authorities for any action by them.

H.2.1. All forms of dishonesty, including but not limited to academic dishonesty such as cheating and plagiarism, knowingly furnishing false information, forgery, or alteration of documentation;

H.2.2. Any act of violence towards any person, including but not limited to physical or emotional abuse, intimidation and harassment, or threat thereof, and acting with reckless disregard for the safety of others;

H.2.3. Theft or unauthorized possession of school, personal or public property;

H.2.4. Any criminal or delinquent act, gang related activity, sexual harassment or disruptive conduct;

H.2.5. Damage to or misuse or destruction of any school, personal or public property;

H.2.6. Any action disruptive or potentially disruptive to school activities, including teaching, administration, disciplinary actions, school sponsored events and public functions and the rights of other students to participate freely therein (which shall include, but not be limited to, use of foul language and backtalk);

H.2.7. Repeated or willful failure to obey the reasonable directions of a teacher or staff member, refusal to identify self or refusal to cooperate with school personnel;

H.2.8. Possession, use or distribution of alcohol or any controlled substance, (including any legal drug that is not prescribed for use by that student), being under the influence thereof, or advocating the use of drugs or other controlled substances;

H.2.9. Possession or use of tobacco, including e-cigarettes, unless under direct adult supervision while being used as a prop for a dramatic performance;

H.2.10. Possession or use of a weapon of any kind at PAPA facilities or in connection with PAPA-sponsored activities, unless used exclusively as required equipment in a martial arts, fencing or similar class or extracurricular activity at or sponsored by PAPA, or as a prop for a dramatic performance, provided that such possession and use is under the direct supervision of an adult instructor;

H.2.11 As required by Section 22-5-4.7 NMSA 1978 and 6.11.2.9(B) NMAC, a student who is determined to have knowingly brought a weapon (defined for purposes of this paragraph H2.11 only to be (i) any firearm that is designed to, may readily be converted to or will expel a projectile by the action of an explosion, or (ii) any destructive device that is an explosive or incendiary device, bomb, grenade, rocket

having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or similar device) to school shall be suspended for a period of not less than one year;

H.2.12 Unexcused tardiness or absence;

H.2.13 Sharing or posting to social media of photographs/video/audio recordings taken during the school day or during school sponsored events that are considered inappropriate by school administration.

H.2.14. Violation of any other published policy or regulation of the school or engaging in any activity prohibited by federal, state or local law pertaining to schools.

### **H.3. SANCTIONS**

H.3.1. In all cases, the sanction imposed should be proportional to the severity of the offense and may take into account the student's disciplinary history. Corporal punishment shall be prohibited. Outlined below are the most serious sanctions but any number of other consequences may ensue, including but not limited to curtailment of student privileges and appropriate counseling.

Restitution: A student may be required to pay for financial losses in a case of damaged property or injury or to otherwise perform activities designed to provide restitution for a violation.

Detention: A student may be restricted at times when other students are free for lunch or after normal class hours.

Probation: A student may be placed on probation for a specific period of time during which the student is expected to make restitution, demonstrate improved behavior or other requirements. Failure to comply with the terms of probation may result in summary imposition of a pre-determined sanction.

Temporary Suspension: A student is separated from the school for a pre-determined period not to exceed ten (10) school days. The student may be required to make up the academic work that is missed during the period of suspension.

H.3.2. Suspended or expelled students are not allowed entry to the school campus without the express permission of the Executive Director.

H.3.3. Probation is not a necessary pre-condition for any other sanction.

H.3.4. Since PAPA is a school chartered by Albuquerque Public Schools, suspension or expulsion from PAPA constitutes suspension or expulsion from APS.

H.3.5. A student who has been suspended or expelled is not entitled to receive any educational services from PAPA or from APS during the period of exclusion from school.

### H.3.6. Long-Term Suspension and Expulsion Procedure and Appeal.

"Long-term suspension" means the removal of a student from school for a specified period of time exceeding ten (10) consecutive school days. Both temporary and long-term suspension may be used where appropriate. Where the need for suspension is immediate, temporary suspension may be invoked while complying with the mechanics for activating long-term suspension. Regardless of what other disciplinary action may also be considered appropriate, where the administrative authority assigns long-term suspension or expulsion, the administrative authority shall within two (2) days after such recommendation:

1. Mail the parent of the student written notice, by certified mail, at least five (5) school days before the commencement of that contemplated disciplinary action, that such action is pending;
2. The notice of disciplinary action must include a copy of this rule, and must advise the student, through his parent, of the following;
  - a) Subject to the procedure set forth herein, if satisfactory evidence to refute the alleged reasons for the contemplated disciplinary action, or a request for hearing, is not submitted to the Executive Director within ten (10) school days from the date of the school's notice of contemplated disciplinary action, the disciplinary action will be effected;
  - b) The right to a hearing, the time and place of the hearing, not to exceed fifteen (15) school days from the date of mailing of the parent request for a hearing, and the right of the student to be represented by legal counsel
3. Students who admit allegation of misconduct to the Executive Director and accept the penalty are not required to have a disciplinary hearing.
4. Subject to the procedure set forth herein, if satisfactory evidence to refute the recommendation of disciplinary action is not submitted to the Executive Director within ten (10) days from the date of mailing and if no hearing is requested, the disciplinary action will be effected.
5. If a written request for hearing is timely received, the student shall be afforded a hearing following due process.
6. The Hearing Officer, retained by the Governing Council, shall impose the requested sanction or other appropriate measure if he/she finds by a preponderance of the evidence that the allegations are correct.
7. A tape recording or minutes of the proceedings shall be retained by the Executive Director, but a verbatim transcript or transcript setting forth the substance of the evidence presented is not required.
8. Within five (5) school days after the hearing, the Executive Director shall prepare and mail to the student, through his parent, a written decision by the Hearing Officer and the reasons therefore.
9. If the Hearing Officer decides in favor of the student, the matter shall be closed. If the Hearing Officer decides against the student, the assigned consequence stands.
10. Notices in paragraphs 1 and 2 above will be sent directly to the students age 18 and over who have invoked their revocation of parental rights

## GRIEVANCE POLICY

The Public Academy for Performing Arts strives to provide students with a positive, productive, safe, healthy, orderly environment in which they can thrive in academics and the arts. To this end, issues may arise that cannot be resolved at the classroom or administrative level, resulting in the need for intervention by the PAPA Governing Council. Thus, PAPA has instituted the following chain of procedure in regard to parent grievances:

1. If there is an academic or behavioral concern involving a student in the classroom, the first step is for a parent to contact the teacher.
2. If the concern cannot be resolved with the teacher, the parent may choose to present the concern to PAPA administration – the Director of Special Services for Special Education Concerns; the Assistant Director for discipline concerns; or the Executive Director for academic and other concerns.
3. If the concern was brought to the Director of Special Services or the Assistant Director and could not be resolved, the next step is to present the concern to the Executive Director.
4. If the concern cannot be resolved with the Executive Director, the parent may choose to appeal to the Governing Council for intervention through the following:
  - a. Present a written grievance statement to the Governing Council President detailing the situation and the resolution efforts within 5 work days after meeting with the Executive Director.
  - b. Within 10 work days of receipt of the written concern, the Governing Council will meet in Executive Session to discuss the concern. At the beginning of the meeting the President will read the concern and allow the parent to make a statement providing any additional information. The parent and Governing Council may choose to bring legal representation to the meeting. The parent and his/her representatives will then be excused from the meeting to allow the Governing Council to discuss the grievance.
  - c. The Governing Council will respond to the grievance with a written response within 5 work days of the Executive Session.
  - d. The Governing Council's response is final.

### H.4. ANTI-BULLYING

Any display of bullying behavior (as determined by an investigation of school administration) at PAPA is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Bullying" means any repeated and pervasive written, verbal or electronic expression, physical act or gesture, or a pattern thereof, that is intended to cause distress upon one or more students in the school, on school grounds, in school vehicles, or at school activities or sanctioned events. Bullying includes, but is not limited to, hazing, harassment, intimidation or menacing acts of a student which may, but need not be based on the student's race, color, sex, ethnicity, national origin, religion, disability, age or sexual orientation that a reasonable person under the circumstances should know will have the effect of:

- Placing a student in reasonable fear of physical harm or damage to the student's property; or
- Physically harming a student or damaging a student's property; or
- Insulting or demeaning any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student.

Bullying must not be confused with student disagreements or mutual harassment.

H.4.1 Complaints concerning suspected bullying behavior should be reported immediately to school personnel. Any report of suspected bullying behavior will be reviewed. If acts of bullying are verified, prompt disciplinary action may be taken against the perpetrator, up to and including suspension and/or expulsion.

#### H.5. COOPERATION BETWEEN LAW ENFORCEMENT AGENCIES AND THE SCHOOL

The following policy shall be observed in connection with all contacts by law enforcement with students. A copy of this policy shall be provided to all licensed school personnel, who shall be responsible for observing it. A copy of this policy also shall be provided to all local law enforcement and social services agencies so that mutual cooperation may be promoted.

The following provisions govern school personnel's cooperation with law enforcement and social services agencies in regard to criminal law enforcement and child abuse investigations, and are not in derogation of the customary authority of school administrators to conduct interviews and investigations, or otherwise to take action as part of the enforcement of school discipline and order.

##### H.5.1 OFFICIAL CONTACT WITH STUDENTS IN SCHOOLS

A. Administrative Authorization Required: Law enforcement officers, including investigators employed by public agencies authorized to investigate child abuse, may not be permitted contact with any student except by the Executive Director or his or her designee, and pursuant to the procedures and requirements set forth in this policy.

B. Verification, Documentation, and Parental Notification Procedures: Prior to any student being produced by the Executive Director for any contact with officers, the Executive Director or his or her designee shall:

1. Write down the name, badge number, and agency of the officer(s), together with the date and time of appearance,

a. in instances in which the officer(s) have appeared at the school to interview or make an arrest of a student for suspected criminal activity, the Executive Director shall also determine and write down the agency's justification for conducting an interview or arrest of a student when such criminal activity has not been:

- (i) committed at the school,
- (ii) committed during school-sponsored activities,
- (iii) committed on school grounds, or

(iv) when such criminal activity involves crimes committed at the school for which assistance has not been requested by the Executive Director; and

(iii) if the officer refuses to sign the statement, the Executive Director should note on the statement that the officer refused to sign.

C. Administrative Monitoring of Contact with Students

After completion of the Verification, Documentation, and Parental Notification Procedures, and upon Administrative Authorization, as described in this policy, a law enforcement officer may conduct an investigation within the school building and upon school grounds and interview students as possible witnesses in the Executive Director's office or other administrative office.

2. The Executive Director should consider whether the Executive Director or his or her designee should be present during the interview on the basis of the age and special needs of the child, and in light of the provision of the Children's Code that such interviews shall be conducted "in a manner and place that protects the child . . . from trauma and embarrassment." NMSA 32A-4-5 (D).

3. Reasonable attempts shall be made to keep the identity of those interviewed confidential.

a. the student interviewed and to his or her attorney or parents,

b. to the district attorney, or other law enforcement agencies; and

c. if the Executive Director deems it appropriate to legitimate disciplinary goals, to other school officials.

5. If the investigation focuses on a particular student as a suspect of a crime, the Executive Director and the police officer shall follow the general guidelines set forth in this policy with respect to interrogation, search, and arrest. In addition, the Executive Director shall follow the advice of rights provisions of **Section II.B, below**.

6. The Executive Director shall keep a record of the procedural steps followed by the police in conducting interrogations, and any instance in which the Executive Director acts to preclude or terminate an interrogation.

##### **A. Investigation and Assistance**

1. **Police Investigations at the Request of School Authorities:** A Executive Director may exercise his or her discretion in determining whether to request assistance of police in investigating any crime contrary to the laws of the State of New Mexico or of the United States, or any allegation of such crimes, including crimes committed at school or on school grounds during school hours, or during school-sponsored activities.

2. **Police Investigation Without Request of School Authorities:** It should not ordinarily be necessary for police officers to interview students at school during school hours for criminal activity not committed at the school, during school-sponsored activities, or on school grounds, or for crimes committed at the school for which assistance has not been requested by the Executive Director.

a. If the police have determined that exigent circumstances exist to interview students at school regarding such crimes, the law enforcement agency shall first contact the Executive Director regarding the planned visit and shall give the Executive Director the reason for conducting the investigation during school hours, school-sponsored activities, or on school property and shall obtain his or her approval;

b. The Executive Director shall approve and cooperate with the police during the investigation unless the Executive Director determines that the investigation is being conducted for the purpose of harassment or for reasons not related to a criminal investigation. In the event that the Executive Director declines to approve the interview he shall immediately notify and discuss the opposition with the appropriate police supervisor. Approval shall not be unreasonably withheld.

c. The Executive Director shall not, in any event, prevent the appropriate law enforcement agency from serving or executing court process (i.e. summonses, warrants, subpoenas) or court orders upon school grounds during school time, provided that the procedures set forth in section I are first observed.

d. The Executive Director may also designate a reasonable time and place for law enforcement contact with students, including for service of process upon students under his control, in order to ensure that the educational process is not disrupted.

### 3. Requests for Police Assistance

a. The Executive Director is authorized to summon and seek assistance from law enforcement authorities in any case in which the activities of students or others is creating a threat to the health or safety of students or of others, or is disrupting or threatening to disrupt the educational program, normal operation, or lawful functions of the school.

-- advise the student that he or she has the right to remain silent, that anything he or she says may be used against him or her in criminal or juvenile court and that he or she has the right to have an attorney present, or a court-appointed attorney if the parents are indigent, and the student or parent may stop the interrogation at any time, in order to obtain an attorney and have him or her present at further interrogations.

c. The Executive Director or designee cannot waive these rights on behalf of the student, nor may he or she compel the student to submit to an interview or interrogation.

d. The Executive Director shall use his or her discretion and his or her knowledge of a student's age and mental or physical condition and shall not permit interrogation in an instance in which a parent is not present and the Executive Director does not believe that the student can knowingly, intelligently, and voluntarily waive his or her rights.

2. By School Personnel at Request of Police: If a student is being interviewed by a school administrator at the request or instigation of the police for law enforcement purposes, the interrogation may be conducted only if

a. The student is advised of his constitutional rights;

b. The student is at least 15 years old, knowingly, intelligently, and voluntarily waives his or her constitutional rights; and

c. A reasonable attempt to notify his parents is made before the interrogation takes place.

#### C. Arrests of Students in School

1. 2. Arrests with Advance Notice: In cases where a law enforcement agency deems it necessary to arrest a student during school hours or activities at school, the agency should notify the Executive Director of the intended arrest prior to dispatching officers to the school, and the Executive Director should request that a non-uniformed officer make the arrest if possible or that the services of school security officers be used if available.

3. Arrests in Emergency Circumstances: In emergency situations, where the immediate arrest of a student is deemed necessary by the police, including instances where the commission of a felony or serious breach of the peace has been witnessed by a police officer or if the police officer is in "hot pursuit" of the student for such crime, the police shall be entitled to take action to arrest the student on school property without a warrant.

a. In cases in which an arrest of a student has been made in an emergency situation in which the police have taken custody of a student without providing school authorities the opportunity to conduct the Verification, Documentation, and Parental Notification Procedures outlined in section H.5.1 School authorities shall make every reasonable effort to have the arresting officer(s) comply with the Verification, Documentation, and Parental Notification Procedures before removing the student from school grounds.

b. If the student has been removed from school grounds by law enforcement officers prior to compliance with the Verification, Documentation, and Parental Notification Procedures, school authorities shall contact the arresting agency and complete the Verification, Documentation, and Parental Notification Procedures as soon as possible after learning of the removal.

D. Search and Seizure by Police

1. On Request of School Authorities

a. Emergency Circumstances: Upon request of a school Executive Director, police officers may make a general search of students' lockers and desks, or students' automobiles on school property, for drugs, weapons, or items of an illegal or prohibited nature if, in the Executive Director's judgment, public health or safety is threatened.

b. Non-emergency Circumstances: If the Executive Director has received reliable information, which he believes to be true, that evidence of a non-school-related crime or stolen goods is located in a certain student's locker, desk, or in a student's or a non-student's automobile parked on school property, and there is no immediate threat to the health or safety of student or employees, he shall request police assistance for a search by the police pursuant to a search warrant.

2. Without Request of School Authorities

a. Police officers may not search a student's locker, desk, or automobile unless they have a search warrant, or a knowing, intelligent, and voluntary consent is given by the student.

b. A student's person may not be searched in school unless:

(i) police have a search warrant, or

(ii) the student is under arrest, or

(iii) the police are acting upon probable cause to believe that the student is concealing contraband, or

(iv) a knowing, intelligent, and voluntary consent is given by the student.

c. Notwithstanding the foregoing, a search of a student's person, locker, automobile on school grounds, or desk, may be conducted by any police officer on school grounds during school hours if emergency circumstances exist and the police are acting upon probable cause to believe that the health and safety of the student or of others requires a search.

d. A school official may not consent to a warrantless search of a student's locker, desk, or automobile, by police unless police are acting at the direction and under the supervision of the school administration.

e. The student, if then available, shall be present during any search of his locker, desk, or automobile.

f. In all searches authorized by this section, the Executive Director or his or her designee shall accompany the officer(s) in conducting such searches.

#### **B. Investigations of Child Abuse and Neglect**

1. **Verification, Documentation, and Parental Notification Requirements:** Investigators employed by public agencies authorized to investigate child abuse, including those seeking to remove students from school for purposes of maintaining protective custody as part of a child-abuse investigation, are subject to the Verification, Documentation, and Parental Notification Procedures set forth in Section H.5.1, except:

a. In observing the Verification, Documentation, and Parental Notification Procedures, the Executive Director or designee shall determine from the investigator whether it is appropriate to notify the parent or guardian of the requested interview or the removal of the student from the school;

b. In the event the investigator directs that such notice not be given, as in cases where a parent or close family member is the suspected abuser, the Executive Director shall record such direction as part of the Verification, Documentation, and Parental Notification Procedures.

c. Law enforcement officers or investigators from the Children Youth & Families Department shall have access to any records pertaining to a complaint of child abuse or neglect, in accordance with NMSA 1978, 32A-4-3F.

### **H.6. STUDENT DRESS CODE**

PAPA expects student dress and grooming to reflect high standards of personal conduct so that each student's attire promotes a positive, safe and healthy atmosphere within the school. Student dress may not present a health or safety hazard, violate municipal or state law or present a potential for disruption to the instructional program. Attire or accessories which advertise, display or promote any drug, including alcohol or tobacco, sexual activity, violence, disrespect and/or bigotry towards any group are not acceptable. Unacceptable clothing and accessories include, but are not limited to, gang-related

attire, excessively tight or revealing clothes, short shorts, bare midriff, low-cut blouses, spiked jewelry, chains, belts with more than 2 inches excess. "Sagging", or the wearing of pants below the waist and/or in a manner that allows underwear or bare skin to show, and "bagging", or the wearing of excessively baggy pants with low hanging crotches are prohibited. (Adopted August 30, 2001)

#### **H.7. SPECIAL EDUCATION**

PAPA shall comply with the applicable provisions of the New Mexico Administrative Code ('NMAC'), the Individuals with Disabilities Education Act ('IDEA'), and any other applicable law, in disciplinary actions involving a special education student with a disability. Without limiting the generality hereof, PAPA shall comply with Section 6.11.2.11 NMAC.

The following is a brief outline of the requirements:

H.7.1. The exclusion of a student who is disabled pursuant to IDEA, (including a student who has not yet been formally evaluated), from his/her education program for more than a total of 10 days during a school year, constitutes a change in educational placement. The following considerations must be addressed:

H.7.1.1 When considering suspension or expulsion, an Individualized Education Program ('IEP') Team must first determine whether the behavior of concern is a manifestation of the student's disability and whether his/her program is appropriate;

H.7.1.2 If the IEP Team determines either that the behavior is related to the student's disability or that the student's program is not appropriate, then the student may not be suspended and must receive an appropriate program;

H.7.1.3 If the IEP Team determines both that the behavior is not a manifestation of the student's disability and that the student's program is appropriate, then disciplinary actions may be taken in accordance with PAPA's policies and procedures;

H.7.1.4 Should the disciplinary action include any suspension that would, in total (including any prior suspension), exclude the student from his/her IEP services for more than 10 days during a school year, PAPA shall continue to provide the educational services defined in the IEP;

H.7.2 These considerations apply to a student with a disability who has an education plan in accordance with Section 504 of the Rehabilitation Act of 1973 in effect, save that PAPA may cease educational services to such a student during any periods of suspension or expulsion. (Adopted August 9, 2001, Amended February 7, 2002)

#### **H.8 STUDENT TECHNOLOGY ACCEPTABLE USE**

H.8.1 PAPA provides technology resources to its students for educational purposes. The goal in providing these resources is to promote educational excellence in PAPA by facilitating resource sharing, innovation, and communication among our students. This policy governs the use of PAPA technological resources such as computers, Internet, Intranet, and e-mail resources by our students.

H.8.2 The use of PAPA technology resources is a privilege granted to students primarily for the enhancement of the education process. Students also may have limited access to these resources for personal use, if they comply with the provisions of this policy. Violations of this policy may result in the revocation of this privilege. Depending upon the severity of the infraction, students may also face disciplinary action up to and including expulsion, and/or criminal prosecution for misuse of this resource.

H.8.3 PAPA does not attempt to articulate all possible violations of this policy. In general, users are expected to use PAPA technological resources in a responsible, polite, and respectful manner. Users are not allowed to:

1. Knowingly send, receive, or display sexually oriented images, messages, or cartoons;
2. Knowingly send, receive, or display communications that ridicule, disparage, or criticize a person, a group of people, or an organization based upon race, national origin, sex, sexual orientation, age, disability, religion, or political beliefs;
3. Knowingly send, receive, or display communications that demean, threaten, insult, harass, bully, or defame others;
4. Knowingly send, receive, or display communications that disparage or berate Governing Council members, students, or employees, or diminish employee productivity and/or professionalism. Nothing contained in this paragraph shall be construed to interfere with the conduct of official PAPA business;
5. Violate any local, State, or Federal statute or regulation including, but not limited to copyright laws;
6. Solicit, endorse, or proselytize others for commercial ventures, outside organizations, or religious, social, or political causes;
7. Disrupt, disable, damage, or interfere with services, equipment, or other users;
8. Access, assist, or allow others to access equipment, files, passwords, user codes, or information without authorization.

H.8.3. PAPA reserves the right to review, audit, intercept, access, and disclose all matters on PAPA technological resources computers, Internet access, and e-mail systems, as business conditions and/or security considerations warrant, with or without notice, during or after school hours. The use of a PAPA-provided password by a student does not restrict PAPA's right to access electronic communications. While PAPA may or may not regularly monitor electronic communications, students using this resource should have no expectation of privacy in their e-mail or on the Internet. Accordingly, students must ensure at all times that their electronic communications are appropriate, lawful, and in compliance with the provisions of this policy. As a condition of use of these resources, students agree to PAPA review and disclosure of e-mail and Internet records.

In the event a student enrolls at PAPA during the semester, grades and credits for the semester will be determined by the teachers in consultation with the Executive Director. Generally, the effort and achievement demonstrated by the student during the time the student is enrolled will be weighted with the enrollment grade from the previous school. If a student was home schooled, the student will have to complete work determined by the teacher in order to get the student “caught up”. The student and his/her parents are to be made aware of the above upon enrollment.

### **J.3 STUDENTS WHO HAVE EXCESSIVE ABSENCES MOVING TO NEW ATTENDANCE AREAS**

6.1 The student and parents are to be advised that prior absences will be taken into consideration if a pattern of absenteeism recurs at the school of new enrollment.

Students abstaining from participation may not be required to stand or to leave the room during the recitation of the pledge. Students who disrupt the ceremony are subject to the usual rules of the school governing disruptive behavior.

For students graduating in 2018 and beyond, the following GPA scale will be used:

| LETTER GRADE | PERCENT RANGE | GRADE POINTS |
|--------------|---------------|--------------|
| A            | 100 – 90      | 4.00         |
| B            | 89 – 80       | 3.00         |
| C            | 79 – 70       | 2.00         |

| F            | < 59          | 0.00         |

Administration will, by April annually, submit to the Governing Council for approval, a recommended list of courses that will earn an additional 1 point weighting toward GPA (5 point scale). Note: not all dual credit courses, in math, English, physical science, and social science are aligned to the New Mexico State Standards. Courses not aligned with the standards will count as electives, not a core required course for graduation.

Additionally, Administration will, by April annually, submit the the Governing Council for approval, a recommended list of dual credit program enrollment pre-requisites.

Dual enrollment grades are included in students’ transcripts and calculated in GPA’s. For courses taken at UNM, dual enrollment grades are provided to PAPA through an official transcript request arranged by the student. CNM generally, but not always sends a report with grades to PAPA. Ultimately, it is the student’s responsibility to ensure the grades are provided to PAPA through a transcript request if the dual credit school does not provide one.

An “incomplete” grade must be converted to a grade within 30 school days following the grade report. If the grade is not converted, it will automatically become an “F” and will count toward GPA.

Dropping a course after the semester has begun must be approved by the executive director. If a high school course is dropped after the first 2 weeks of a semester, a grade of W(Withdraw)F(Fail) will be assigned. The WF will remain on the transcript and count toward the student’s GPA until the course is replaced with another approved course in the same content area of the dropped course. If the course is

not replaced, the WF is converted to an F at the end of the semester. If a student is removed from a course for discipline reasons, the student may earn an "F" in the course. The "F" will not be removed at the end of the semester.

Students who transfer from another school shall receive the grades assigned by the previous school as reflected on the official transcript. Any grades that are awarded a weighting at the previous school will be assigned the same weighting at PAPA. The same rule applies to home school grades awarded by accredited home school correspondence courses.

If a student transfers into PAPA during the middle of a grading period, the withdrawal grade from the student's previous school will be averaged with PAPA's grade on a weighted basis based on length of time in class. For example, there are 9 weeks in a grading quarter. If a student transfers into PAPA after the third week of the grading period with a grade of 62%, one-third of the student's quarter grade will be a 62% and the other two-thirds will be from the grade earned at PAPA.

A student who repeats a specific course will receive the higher of the two grades. Both course titles and grades will be recorded on the transcript but the higher grade will be used in calculating Grade Point Average (GPA). The lower grade will remain with a line drawn through it, the credit designation removed, and the word "REPEAT" inserted in its place. Credit for both classes will not be allowed. Generally, progression through the arts curriculum is not considered a repeat of a course of study.

1.6 The following factors will be used when determining the senior class Valedictorian and Salutatorian:

1.6.1 The final cumulative Grade Point Average (GPA). The student with a number 1 ranking will be named Valedictorian. The student with a number 2 ranking will be named Salutatorian. A "tie" will occur only if grade point averages are exactly the same. The determination will be made after the final senior grades are posted. And;

1.6.2 Length of enrollment at PAPA will be considered. Students who have attended PAPA for 5 semesters or more of high school are eligible for Valedictorian/Salutatorian honors. And;

1.6.3 The candidate must have participated in a performing arts course every semester while attending PAPA.

## 2. GRADE REPORTING AND CONFERENCING GUIDELINES

2.1 It is the responsibility of the Executive Director to keep parents informed of student progress through graded report cards and progress reports.

2.2 The school year will be divided into two semesters. There will be four regular reporting periods in each school year timed half way through and at the end of each semester.

#### **K.1-1 CHILD CUSTODY ISSUES**

Under the compulsory attendance laws, parents must send their children to school, and schools stand in loco parentis as regards discipline, supervision, and custody issues. School personnel have an obligation to exercise due care in guarding the health, safety, and welfare of students enrolled in our schools. Children must not be released to persons who are not their parents or legal guardians.

##### **Custody Issues and Parental Rights**

Divorced parents and the courts will establish the terms and conditions of custody of the children. Verifiable court documentation will determine how student release, visitation, and documentation release is handled at school.

##### **Joint Custody**

Parents share in the physical custody of the children as defined by some agreed upon schedule.

#### Primary Physical Custody with Visitation Rights

Only one parent has physical custody of the child; however, the other parent is guaranteed visits with the child at certain times.

#### Sole Custody

Only one parent has physical custody and the other parent cannot visit, or sometimes even see, the child.

#### School Responsibilities

School responsibilities usually become an issue only when there is a dispute between divorced parents over the terms of custody or over their obligations under the divorce decree. Guidelines are as follows:

- A. Avoid taking sides in domestic disputes.
- B. Request a copy of the divorce decree which specifies child custody terms.
- C. If a parent shows up at the school with a temporary custody order or a temporary restraining order, call the local police department, Southeast Substation (256-2050), for further guidance.

#### Legal Names on School Records and Name Changes

Student records will be maintained under the correct legal name as determined on the student's birth certificate. Name changes on school records will only occur if the appropriate court documentation stating the new name is provided.

#### CYFD Custody of Children

Occasionally it becomes necessary for Children, Youth and Families Department to assume legal and/or physical custody of a child. This is usually a temporary situation but may range from days to years in duration. The agency must provide the school with written documentation of their legal authority to access records.

### **K.1-2 RIGHTS OF NON-CUSTODIAL PARENTS**

Non-custodial parents are entitled to access to student records on the same basis as custodial parents unless there is a court order or provision in the divorce decree prohibiting such access.

Non-custodial parents may request, and will be granted, on a reasonable basis, conferences with teachers to discuss their children's progress. The Executive Director will determine the reasonableness of requests for parent conferences, on the part of both custodial and non-custodial parents.

The Executive Director may request a copy of the divorce decree and/or custody agreement to assure that there are no restrictive provisions pertaining to the rights of the non-custodial parent.

### **K.1-3: PARENT CONCERNS AND INQUIRIES**

Parents are encouraged to take all concerns and inquiries directly to the staff member(s) involved. If the person with a concern is not satisfied with the resolution, requests for a meeting to resolve the situation
