Total	58	61	58	58	53	46	28	362
Boys/Girls	22/36	17/44	20/38	23/35	24/29	15/31	8/20	129/233

EPSS:

- EPSS Survey Summary (see attached) – Survey was sent home with the Quality of Education Survey.

Facility:

- Renovation Plan – In order to better serve the students at this site, PAPA needs more room, science lab renovation, larger multi-purpose space, and rearrangement of administrative/support space (see portable estimate). The cost of the renovation will come out of HB33 funding. The work will be done by APS.
- Update on facility search.

Staff:

- Retirement – We are happy for Joanne Carter who is retiring after 19 years of teaching in New Mexico.
- We regretfully accept resignations from Amy James, Jackie Mickey, Carolina Gonzales, and Nadyne Shimada.
- Not new to the staff, but new to full-time teaching, we welcome:
 - Carlos Romero – Social Studies
 - Rick Striegel – Math
- Welcome to the following new staff members!
 - Chris Parchert – Math
 - Jocelyn Duran – Educational Assistant/Secretary
 - Rebekah Castillo – Counselor
 - Scott Gullett – Part-Time Special Education
 - Lindsay Henson – Science

Student Academics/AYP:

- AP opportunities and Calculus return to PAPA! Thanks to the willingness to spend the summer in “school”, several staff members are training in AP methodologies. PAPA will be able to offer AP Literature and AP Language along with Pre AP for our Sophomores.

Performing Arts and Events:

- PAPA was featured on the television show “Issues and Answers” (KCHF TV, Channel 11) that aired June 10th. This was a charter school information segment that was a great promotional for PAPA. The show will air again June 20 at 6:00p.m. and June 24 at 10:30p.m. We appreciate Ms. Montoya, Danae Otero, and Robbie Durand who were positive, enthusiastic PAPA representatives.
- Check out PAPA’s featured advertisement in *Albuquerque the Magazine*, June issue. There is a great picture of many of our students and a detailed description of our programs.
