**Students/Academics/AYP:**

- We celebrated excellence recently, awarding 125 Honor Roll students with certificates, bracelets exclaiming, "PAPA Honor Student" and ice cream sundaes. We had 34 students also awarded certificates for excellent attendance.
- Discipline Referral Stats = High School – 2 / Middle School – 7
- PAPA students Michael Ireland, Graham Hudson, Isabella Westrom, Jeremy Anderson, and Raeven Ortiz worked all through the month of October with Ms. Castillo and Ms. Padilla to make sure our students are aware of the dangers of bullying, how to prevent it, and strategies to defeat bullying. Their efforts culminated with a school-wide bullying/suicide workshop presented to each grade level. The workshop gained recognition beyond PAPA, and the students have been asked to present at another school.

**School Improvement/EPSS (Action Item):**

- The advisory committee met. We discussed and approved the EPSS plan for recommendation to the GC.

**Staff:**

- Jackie Danfelser and Doreen Winn attended the New Mexico Charter School Conference.
- The social studies teachers attended a Bill of Rights Workshop.
- The math teachers brought back lots of teaching ideas and information about resources from the National Council of Teachers of Mathematics Regional Conference.
- The science teachers attended the National Council of Teachers of Science National Conference where they also were introduced to new strategies, attended discussions, reviewed resources.
- I met with the secretarial staff to update job descriptions.

**Performing Arts:**

- Spring Performing Arts Calendar (see attached).
- Change in the Choir/Orchestra concert

**Parents/Community:**

- Students and staff volunteered to attend the School Choice Fair. Approximately 100 fliers and/or postcards with lottery information were distributed.
- The PTSO in conjunction with Student Council had their Fall Carnival at PAPA on October 29<sup>th</sup>. It was a fun, first-time event that raised about \$300.

**Facility:**

- The PSFA came to the school to do a complete facility assessment. We have not received the results.
- There has been progress made on our portable project. The workers have set the buildings and hooked up plumbing and utilities. The interiors are not complete. The latest completion date provided by Karen Alarid is today.
