Concluding Steps for Audit Completion

Draft Charter School Statements - October 14 Submission to OSA - November 15 Expected Release by OSA – December 15 or Earlier Reminder: NMAC 2.2.2.10 (J) (3) provides that "Neither the IPA nor agency personnel shall release any information to the public relating to the audit at the time of the exit conference or at any other time until the audit report has been officially released by the State Auditor and becomes public record."

SUMMARY OF FINDINGS

2017-001 - Internal Control over Student Activity Funds (Compliance and other Matters)

Condition: During the school year, \$290 of student activity funds were stolen. The funds were stolen due to the fact that cash was not deposited within 24 hours of receipt and the school policies and procedures were not followed by the individual collecting the monies:

Criteria: Per PSAB Supplement 18 - Student Activities & Athletics, the activity funds of the District are considered agency funds; they are custodial in nature and the District is accountable for the monies. In addition, the Board of Education has a fiduciary responsibility to establish and enforce policies and procedures to safeguard agency assets consistent with other assets of the school district.

2017-002 - Internal Control over Bank Reconciliation (Material Weakness)

A. P. LARRIE C. C. C. Lat 19 19

Condition: During our review of the June 2017 bank reconciliation, we noted management listed outstanding cash transfers between the operational fund and the student activity fund of \$16,854. The transfer related to journal entries recorded after June 30, 2017, thus the cash transfers did not occur and were not initiated during the school year.

Criteria: Per NMAC 6.20.2.14, School districts shall establish and maintain a cash management program to safeguard cash and provide prompt and accurate reporting that adheres to cash management requirements of the office of management and budget (OMB) Circular A-102, and applicable state and federal laws and regulations. All bank accounts shall be reconciled on a monthly basis.

2017-003 - Internal Control over Financial Reporting (Material Weakness)

Condition: During our review of revenues, we noted \$1,750 of revenue was improperly recorded to the operational fund instead of the Youth Chat Fund 29130.

Criteria: Per NMAC 6.20.2.11, every school district shall establish and maintain an internal control structure to provide management with reasonable assurance that assets are safe-guarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with GAAP.

2017-004 - Capital Asset Disposal (Compliance and other Matters)

Condition: During our review of capital asset disposals, we noted the school did not provide notification to the New Mexico State Auditor's Office.

Criteria: Per NMAC 2.2.2, the State Audit rule, at least 30 days prior any disposition of property on the agency inventory list requires written notification of the official finding and proposed disposition duly sworn and subscribed under oath by each member of the authority approving the action must be sent to the state auditor.

2017-001 – Internal Control over Student Activity Funds (Compliance and other Matters)

Condition: During the school year, \$290 of student activity funds were stolen. The funds were stolen due to the fact that cash was not deposited within 24 hours of receipt and the school policies and procedures were not followed by the individual collecting the monies.

Criteria: Per PSAB Supplement 18 - Student Activities & Athletics, the activity funds of the District are considered agency funds; they are custodial in nature and the District is accountable for the monies. In addition, the Board of Education has a fiduciary responsibility to establish and enforce policies and procedures to safeguard agency assets consistent with other assets of the school district.

Response: Once this situation was brought to management's attention, further instruction and training was provided at the FY2018 employee orientation. This type of emphasis and training over Internal Controls, Cash Receipts and Student Activity funds will be provided throughout the year as necessary.

2017-002 – Internal Control over Bank Reconciliation (Material Weakness)

Condition: During our review of the June 2017 bank reconciliation, we noted management listed outstanding cash transfers between the operational fund and the student activity fund of \$16,854. The transfer related to journal entries recorded after June 30, 2017, thus the cash transfers did not occur and were not initiated during the school year.

Criteria: Per NMAC 6.20.2.14, School districts shall establish and maintain a cash management program to safeguard cash and provide prompt and accurate reporting that adheres to cash management requirements of the office of management and budget (OMB) Circular A-102, and applicable state and federal laws and regulations. All bank accounts shall be reconciled on a monthly basis.

Response: An audit and finance committee procedure handbook is being created in order for both committees to have a more clear and precise process for reviewing year-end financial statement, including Internal Controls over Bank Reconciliations. This policy will be completed by December 31, 2017. Additionally, because the two accounts listed share several activities, including lunch deposits, Public Academy for Performing Arts Governing Council agreed and approved that all funds should be reduced to one account. The only account now being used by PAPA is the operational fund account.

2017-003 – Internal Control over Financial Reporting (Material Weakness)

Condition: During our review of revenues, we noted \$1,750 of revenue was improperly recorded to the operational fund instead of the Youth Chat Fund 29130.

Criteria: Per NMAC 6.20.2.11, every school district shall establish and maintain an internal control structure to provide management with reasonable assurance that assets are safe-guarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with GAAP.

Response: All deposits outside of General Activities, USDA and SEG wires will be verified between the business manager and business office assistant prior to posting such deposits. We will continually update our internal control procedures to prevent such errors from occurring in the future.

2017-004 – Capital Asset Disposal (Compliance and other Matters)

Condition: During our review of capital asset disposals, we noted the school did not provide notification to the New Mexico State Auditor's Office.

Criteria: Per NMAC 2.2.2, the State Audit rule, at least 30 days prior any disposition of property on the agency inventory list requires written notification of the official finding and proposed disposition duly sworn and subscribed under oath by each member of the authority approving the action must be sent to the state auditor.

Response: The disposal of capital assets was approved at the May 2017 Governing Council meeting; however, the school did not properly report to the NM State Auditor's office. Once this was brought to management's attention, the letter listing all disposed assets was sent to the NM State Auditor's office. A procedure manual and check-list is being written for both audit and finance committees in order to help prevent such errors from happening in the future. This manual will be complete by December 31, 2017.

Staff Suggestions:

7 Pay Date change in August 2018 to 15th & 30th

Why? I have a hard time with the two day early training. Once I return to PAPA, I am in. I can't turn that off and go back. Also, it conflicts with National Endowment for the Humanities grants. They run on East Coast schedules. So a teacher training doesn't end until the first or second week of August. Lastly, if I'm not teaching a summer camp or attending an NEH program, I like to travel in Hurricane season when it's cheapest (first week in August).

How Can We Make This Work? We've got seven months to save up for that two week period without a check. I've got a mortgage, bills, etc too. But If I start planning for it now, I can make it happen.

Will We Miss a Paycheck? We will get the full contract amount, with one less paycheck ONE time. Instead of getting your August paycheck on the 5th, it would come in on the 15th, then your next one on the 30th. This would be a ONE time hardship that would never happen again. We would be reset for the rest of your career at PAPA.

AND we could then come in on August 8th or 9th for Teacher In-Service with school starting on the 13th, rather than coming in on August 2nd and 3rd with school starting on the 13th.

___O___Mirror APS complete calendar. This would increase the number of days, but not increase your pay:

Aug. 6, 2018	First day back for teachers, school staff	
Aug. 13	First day of school	
Sept. 3	Labor Day (schools and administrative offices closed)	
Oct. 11-12	Fall break (administrative offices open)	

Oct. 30-31	Middle School student-led conferences
Nov. 19-20	Elementary School parent/teacher conferences
Nov. 21-23	Thanksgiving break (schools closed; administrative offices closed Nov. 22-23)
Dec. 21-Jan. 4	Winter break (schools closed; administrative offices closed Dec. 24-Jan. 1)
Jan. 4	Professional development day for school staff (no school for students)
Jan. 7, 2019	First day of second semester
Jan. 21	Martin Luther King Jr. Day (schools closed; administrative offices open)
Feb. 18	Presidents Day (schools and administrative offices closed)
March 7-8	Parent conferences for all three levels (elementary, middle and high school)
March 11-15	Spring break (schools closed; administrative offices open)
19-Apr	Vernal Holiday (schools and administrative offices closed)
May 13-17	Graduation Week
22-May	Last day of school
May 23-24	Weather make-up day

3Start school one week (or even a few days) earlier in August and take an extra week (or few days) off for winter break.
9I loved the in-service days/days off for students during the week of Thanksgiving; that was way better than having the kids for two days right before a five day weekend.
It would be great to have half days for finals week (in both the fall and spring).
5Finals Week – Monday 12/17 through Thursday 12/20
612/21 Make-up day and in-service for staff. Only students who have make-ups attend. Teachers take turns proctoring exams.
5In-service 1/7 and 1/8. Students start 1/9
4Have a make-up test day / staff in-service at the end of the year.
6Don't follow APS winter break. Instead, work Friday 1/21 and return for in-service 1/7. Have students return 1/8.

1I'm not a good budgeter, and all my bills are set up for automatic payments every month. I prefer we keep the pay periods the 5 th and the 20 th and do in-service before the 5 th .
3I also propose that Winter Break for the 2018 - 2019 school year be December 24 - January 4. We can also maybe do December 20 - Jan. 4. It still gives everyone a weekend to travel prior to Christmas and hopefully, it will make it seem like we're not coming back so early. If we do have these 2 weeks off, we can use the day we normally take off for MLK day and add that on to Winter Break. All of the community MLK celebrations take place on Saturday, anyway.
I'm NOT in favor of having three weeks off at Christmas and would rather start the school year later in lieu of that.
In addition, please give your opinion on how in-service days should occur (we have 9 days):
Please give time to work (PDD/lesson planning/classroom) during InService days. Also make some trainings optional (IE. Trans Training)
How many in-service should there be before school starts?1, 2, 3, 1, 2, 3
What dates do you suggest for the rest of the days?
Mondays or next to a holiday.
Fall Break and Thanksgiving Week should be InService/Parent Teacher Conference dates prior to the days off. Students don't attend during those days. Oct 8,9,10 and Nov. 19, 20 & 21 respective of year.
Make-up Test (final exam) days
Tech days
More in Jan, before we begin

Is there anything else related to the calendar that you suggest?

Can we factor in a flu/strep week to shut down/reset PAPA if we have another winter like this one?
