Dear Parent,

My name is Cheryl Litras from eKnowledge. I'm contacting you on behalf of the **National Federation of State High School Associations NFHS and the New Mexico Activities Association NMAA**

I have some great news that will help you assist your student to higher SAT/ACT scores and relieve the enormous expense.

The SAT/ACT Prep Project has assisted students for over 15 years by **donating millions of dollars of SAT/ACT Prep**. Because The NFHS and NMAA have joined forces with eKnowledge, these programs are now available for you.

These programs have everything students need to be totally prepared for the exam and position themselves for college acceptance and scholarships. **Through the NFHS sponsorship with eKnowledge, these \$1,500 programs are only \$19.99 to \$49.99** for your student. See below for further details.

You may also call or email me directly with any questions.

Sincerely,
Cheryl Litras
