

Algebra I Inclusion: 2020-2021

Course	Instructor	Resources
Algebra I SE 5th Period	Teachers: Alyssa Demgar e-mail: ademgar@paparts.org	Google classroom: 7iscnom
<p>Mrs. Demgar's teaching philosophy: My approach to teaching is a balanced approach between exposure to the core curriculum and differentiation. Every student will be exposed to appropriate grade level Algebra 1 content. Every student will receive the support that they need in the areas of differentiation, modifications, pre-requisite skills and remediation. It is crucial that students develop in both areas. My role as an instructor is not to remove the challenge, but rather to help you develop the skill that you need to meet the challenge.</p> <p>Co-teaching: Mr. Doug and Mrs. Demgar will work together to ensure that all students are adequately supported based on academic need. Differentiation will be provided for all students, including those allotted in the IEP, within the context of the Algebra 1 classroom. Modifications and Accommodations will be documented on powerschool for your convenience.</p>
