

# PAPA PTSO

Our main goal this year is to help our PAPA community get through this pandemic as gracefully as possible given the difficult circumstances we're all dealing with.

- + What does the PTSO do?
  - o We help pay for PAPA community expenses that are not in the budget in order to help support equitable access to all our school has to offer. These are a few of the things our fundraising supports:
    - Music copies, set construction materials
    - Art supplies, classroom needs
    - Drinking water refills for cafeteria
    - Breakfast for students on testing days
  - o Organize teacher & staff appreciation events
  - o Anything else we can do to help make PAPA better!
