b) Parent survey: The results of the parent and staff Survey were presented to the board. Summary of the results were

PAPA Students who responded to the survey primarily wanted social interaction. Parent's concerns ranged from not having enough resources to make the school safe to not being able to "watch" students all the time or were worried about the stigma at school if their child does get ill. The majority of parents felt okay if there were smaller classes, classes outdoors, sibling groups can stay together, and strict safety protocols and systems in place. Staff concerns included help managing stress, anxiety, making sure safety measures in place and followed, time needed for planning, collaboration time and space for Performing Arts-equipment/outdoor space.
