Objectives:

Students will be able to recognize their current Language Arts challenges in the areas of reading, writing, and vocabulary. Students will add to their ELA toolbox the following skills: identifying context clues, highlight important facts during close readings, write summary responses using the RACE strategy, expand academic vocabulary, and improve phonemic awareness and reading fluency.

Class Processes:

- ❖ Close Reading Activities
- ❖ Daily Writing Prompts
- ❖ Individual IXL Diagnostics & Lessons
- ❖ Interactive Station Work
- ❖ Individual and Group CommonLit Articles
- ❖ Creation/Use of Interactive Notebook

Students will:

- ★ participate in diagnostic testing for reading comprehension.
- ★ consistently attend class in-person and online.
- ★ be a part of the class community for at least six weeks.
- ★ use Google classroom to complete assignments.
- ★ participate in all class activities and assignments.
