About PLATINUM: Spring Dance Concert 2022

Public Academy for Performing Arts presents the annual Spring Dance Concert 2022 featuring beginning to pre-professional ballet, contemporary, flamenco, hip-hop, musical theatre, and jazz dance students in grades 6 – 12. From brand-new-to-the-stage to the well-seasoned dancer, students showcase class choreographies learned in their dance classes this year. Please note, Spring Dance Concert was a little different as it was scheduled at the height of the Omnicron virus, so it is a virtual-only event. However, all students were still able to perform in masks on a professional stage with costumes and lights at the beautiful National Hispanic Cultural Center in Albuquerque, New Mexico.
