Supply List

1. **Hard cover Composition Notebook** *with full name, and "Judway," and class period clearly visible on the front* (preferably college-ruled - please, no spiral notebooks). The notebook will be used for bell ringers, reflections, poetry workshops, and more.
2. **At least one blue/black pen, one red pen, pencil(s), eraser, and highlighter.** These are very important tools for use in the classroom as we will often be annotating literature via hard copies and it will be very helpful if everyone has their own writing utensils.
3. **A reading book of your choice** – could be from the library, a personal collection, a bookstore or thrift store, or online. It **MUST** be a physical copy. If you are partial to reading audible books, please make sure that you **ALSO** have the physical copy. In addition, be sure that the book is school appropriate.
