Grading

Grades will be entered into Power School on a weekly basis for student/parent/ guardian review. Artwork will be assessed per provided rubric. Assignments be self-assessed as well as teacher assessed.

= Total Grade

Class Policies

Homework:

- I do not generally give homework.
- At times, a review may be assigned.
- If a student does work outside of the classroom, that is fine, but not expected.

Absent:

- If you are absent, it is your responsibility to contact me to get your make-up work in a timely manner.

Late Work

- I will accept late work anytime, no penalty or loss of points.

Regrade

- You have the option to redo anything, anytime, for a higher grade.

*The earth
without art
is just eh..*

Hall Passes

Each student may use restroom as needed and may leave the classroom for emergencies only.

Arts Events Absences

Students will occasionally miss class due to arts performance and events. Students are responsible to make-up any missed quizzes, tests, or classwork, and to obtain any notes or information given in class. Homework and papers are still due on the assigned day- sports players must leave the assignment in my box before they leave for the game. Assignments turned in the day after a class missed due to a game will be counted as late.

Tardies

Being on time is a class expectation. If a student is tardy, they are expected to come in quietly and join the class. If it happens on a regular basis, parents/guardians will be contacted. Any work or instruction missed because of a tardy must be made up.

We will be using Google Classroom for bonus opportunities and class news.
