

Course Syllabus

Course Name: **Algebra II**
Room: **1**

Teacher: **Mrs. Summer Labog**
Email Address: slabog@paparts.org

Welcome to Algebra II S.Y. 2022 – 23!

Course Description:
This course is designed to build on algebraic and geometric concepts. It develops advanced algebra skills such as algebraic expressions, equations and inequalities; functions and graphs; linear systems; quadratic, polynomial, radical, exponential and logarithmic functions; sequences and series; quadratic relations and conic sections; probability and statistics; matrices and trigonometry.
Course Objectives:
<ul style="list-style-type: none"> ✓ Students will demonstrate knowledge of algebra and its applications in the real world. ✓ Students will apply appropriate techniques, tools, and formulas to determine measurements. ✓ Students will develop logical thinking skills
Key Principles:
<ul style="list-style-type: none"> ✓ Everyone can learn math and the only way to <i>learn it</i> is to <i>do it</i>. ✓ Math is based in the real world. Everything around you is mathematics. ✓ There is more fun in learning math. There is no such thing as boring mathematics. ✓ Questions are important. Do not be afraid to ask. Explore to learn more. ✓ People learn from their mistakes, don't be afraid to make them.
What I Expect of Students:
<ul style="list-style-type: none"> • To come to class every day on time prepared to work and learn. • To put forth maximum effort to be successful in the classroom and master the content. • To participate actively in the lessons whether individually, in pairs or in groups. • To adhere to all school rules in the classroom. • To be kind, respectful, responsible, reliable, a role model
What Students Can Expect of Me as a Teacher:
<ul style="list-style-type: none"> • To create a positive learning environment where all students feel safe to try new things, take risks and express themselves. • To be fair and treat all students equally. • To present content material in a manner that will allow all students to learn. • To provide additional support in and outside of the classroom to ensure students have the opportunity to achieve mastery.
Required Materials (to bring every day):
<ol style="list-style-type: none"> 1. Three-ring binder – It should be well-organized and should include the following sections: <ul style="list-style-type: none"> ✓ Worksheets ✓ Review Packets ✓ Quizzes/Tests 2. Composition Notebook (Graph Ruled) – It is very important to take down notes. 3. Pencils or Pens – It is recommended to use pencils so that it is easier to correct mistakes.

Materials Provided:
<ul style="list-style-type: none"> ✓ Chromebook – There’s a Chromebook number designated for each student which will be used for the entire school year. Students are not allowed to use any other Chromebook number. ✓ Calculator – same rule with Chromebooks, there’s also a calculator number. ✓ Textbook – Prentice Hall Algebra 2 <ul style="list-style-type: none"> ❖ <u>Please note that all materials are being loaned and should remain in good condition. If you lose these materials or if they are damaged when it is time to return them, you will be charged the replacement cost.</u>
Grading System:
<p>40% - Homework/In-Class work (Worksheets, IXL) 50% - Tests/Quizzes 10% - Warm-Up Activities/Participation</p> <p>Semester 1 - 40% = 1st Quarter Grade; 40% = 2nd Quarter Grade; and 20% = semester final exam/EOC Semester 2 - 40% = 3rd Quarter Grade; 40% = 4th Quarter Grade: and 20% = year-long final exam/EOC</p> <p><i>* Late work is accepted but penalized by 15% off from the final assignment grade.</i> <i>* Tests will be announced several days in advance. Quizzes will be given periodically and maybe given at any time unannounced since they serve as an indicator of daily learning.</i> <i>*Students are expected to demonstrate mastery at 80% as math is a subject that builds on prior skills. If a student gets below 80% in quizzes/tests, he/she needs to retake the quiz/test.</i> <i>*If mastery is not demonstrated, students will participate in remediation to relearn the concepts and then retest over that standard/skill. It is remediated during Targeted Assistance during the school year.</i></p>
Absences:
<p>If a student is absent on the day of a quiz or test, he or she must schedule the makeup the next day. A student has one day for each excused day absent in order to make up missed assignment. If an assignment is due the day a student is absent, the assignment is due the day the student returns. For absences that exceed one day, the student will have at least as much time to makeup work as the number of days of class absence. Excessive absences of 10 or more may result in a loss of credit for high school students.</p>
Tardiness:
<p>If a student arrives after the tardy bell has rung to begin the period, he/she will be considered tardy to class. If a student arrives 15 minutes late, this is considered Absence Unexcused Truant (AU). If the student has a pass, the pass should be given upon arrival to class.</p>
Restroom:
<p>One student at a time may use the restroom. Students are given PANDA Student Pass in exchange with their cellphones. If a student is out for more than five minutes, office staff will be notified.</p>
Cellphones/Electronic Devices:
<p>The use of cellphones or other electronic devices is not permitted during class except when explicitly directed by the teacher. Please make sure these devices are kept in bags. If they present a disruption, please see the sequence of offense below:</p> <ul style="list-style-type: none"> 1st – verbal warning 2nd – will be taken and held by the teacher until the end of the class 3rd – will be taken and held by the office staff until the end of the school day 4th – will be taken and only parents can get the device from the administration

Dismissal:
Students should remain in seat until the bell rings. Ensure that desks and chairs are in their original position. Keep your area neat and clean.
Discipline Procedure:
Failure to adhere to school rules in the classroom will result in appropriate disciplinary action. Please review Student Handbook for further details regarding discipline and the school's attendance policy.

Note: The syllabus may be modified as needed.
