Senior Moments:

**I am thankful for PAPA because it helped me learn what I want to do with my life. It taught me what steps I need to take to get the job I want.

**I am thankful for the friendships that PAPA has brought me and for all the connections I have made since the 6th grade. I am truly grateful for the teachers who have supported me and led me through my years at PAPA. I have been taught many life lessons from my peers, teachers, and most importantly, my best friends that I hope to continue to stay friends with outside of school. My friends are my favorite part of PAPA because they never fail to turn my day around when I am having a bad day.

Director Report March 2025

**I am thankful for PAPA because of all the opportunities it has granted me and the experiences I have had, having performed on a variety of stages from our own NHCC to Carnegie Hall in New York City. I have learned what it means to dedicate myself to the arts and my academics and the masterpieces that come from such dedication. I have formed lifelong relationships and have had the pleasure of learning from our incredibly knowledgeable and dedicated teachers. Most of all I am grateful for the person I have grown to be and what it has prepared me for.

**I am thankful because I was able to learn a lot about what I want to do. My first film was kinda...garbage water, but I've gotten so good since then. Everything I used to think I was good at, I'm better at now. I've really improved!

**I am thankful for PAPA because the people here have helped me grow and develop into the person I am today. It taught me the beauty of making friends and enjoying school. This school has given me the most fulfillment in learning music, art, and writing. PAPA has given me the life skills to go through life with confidence, hard work ethic, and a willingness to achieve great things. This High School will always be a school I will reflect back on and think about the fond memories I have created this year and the rest of my years.

Dear Parents and Guardians,

As we conclude the third grading quarter, we want to take a moment to express our gratitude for your partnership in the education of our students. Your support and involvement play a crucial role in fostering a strong and vibrant learning community.

The administration team has recently completed comprehensive training focused on student safety. As a result, we will be implementing updates to enhance safety measures throughout our school. One of these updates includes teachers auditing their classroom spaces to ensure a secure environment for all students. We firmly believe that safety is a paramount objective and a necessary foundation for effective learning.

We are incredibly proud of our students for their outstanding performances at the Spring Dance Concert held at the National Hispanic Cultural Center. Their hard work, dedication, and artistic expression truly shone on stage. We also appreciate the unwavering support from parents and guardians in making this event a success. If you have any feedback or suggestions regarding the Spring Dance Concert, please feel free to email us at info@paparts.org. Your insights are invaluable as we strive to improve our events each year.

This year was particularly special, as we took students on a field trip to the NHCC, which included a nature walk in the Bosque, a visit to the Torreón Museum, a viewing of student-produced films prepared for festival entry, and an opportunity to watch the rehearsal for the Spring Dance performance. This experience not only enriched our students' understanding of the arts but also encouraged collaboration and support among student artists. The Spring Dance performance remains a cornerstone presentation featuring dancers at all levels, from novice to pre-professional. For many students, this was their first experience performing in a theater setting, and we commend them for their dedication and courage.

Additionally, we want to emphasize the strong connections between social-emotional learning and the performing arts. Participation in the arts fosters self-expression, confidence, and collaboration—essential skills that extend beyond the stage and into every aspect of life. Supporting the arts in schools is vital, and we appreciate your continued encouragement of your child's artistic journey.

As we enter the last grading quarter, we extend our deepest appreciation to our students, teachers, and families for their hard work and commitment. We look forward to another year of learning, growth, and artistic excellence.

Thank you for being an integral part of our school community.

In Partnership,

Tamara Lopez

Please note the following important details:

The PAPA Junior Honor Society and Student Council have been fundraising all year to help pay for this event. Most of the 8th Grade student admission will be paid for by these clubs **the balance due to you will be shared after the middle school dance**. This dance is a fundraiser for the 8th grade reward. The price of admission includes bowling shoes. We do however need a confirmation of attendance to secure your child's ticket. We will be sending home a permission slip and confirmation of intent to participate.

Parents are welcome to attend the celebration, and while the Main Event remains open to the public, we kindly ask that you reserve your own lanes for bowling and purchase food and arcade games separately.

Expected Behavior: All 8th-grade students must uphold exemplary behavior throughout the event and at school leading up to the celebration. This includes maintaining excellent school attendance, class work completion and school behavior expectations as students will be serving as ambassadors of our school community. We believe that this celebration provides a well-deserved opportunity for our students to celebrate their accomplishments and create lasting memories with their peers. Thank you for your continued support in making this event a success. If you have any questions or require further information, please do not hesitate to contact the front office. We look forward to celebrating with you and your child on May 16th!

Respectfully,

Tamara Lopez
